

Saratoga Horseworks, a leading manufacturer of custom, American made horse clothing and accessories, and our contract manufacturing division, Custom Sewn Products, is seeking experienced Lead Sewing Machine Operators to join their team. Located in Amsterdam, NY Saratoga Horseworks is an easy commute from Saratoga Springs and the Albany Area. Our location offers our staff access to many outdoor sports, cultural activities, and night life. Our compensation package includes competitive wage, health insurance, retirement plan, continuing education reimbursement, and paid vacation and holidays.

Duties & Responsibilities:

- Lead a sewing team of 4 – 8 machine operators to assure cost, quality, and productivity targets are met.
- Assign work to team members based on skill level
- Train, and mentor sewing machine operators to continuously improve skills
- Provide technical expertise and training to resolve process and or quality issues.
- Examine products to confirm conformance with setup, specifications, and machine adjustments.
- Interact with designers, engineers, and management.
- Contribute to the product development process and make samples.
- M – F 7:00 AM – 3:30 PM some overtime may be required

Skills:

- Exceptional sewing skills
- Ability to properly setup a wide range of sewing machine types
- Can recognize stitch problems, diagnose and correct them
- Experienced computer user, familiar with Windows based software
- Good organizational skills
- Have an understanding of lean manufacturing techniques

Minimum experience level:

- High School Graduate
- 5 years commercial sewing experience
- 1 year as sewing team lead
- Experience working with industrial fabrics, stretch fabrics, and apparel weight fabrics

Preferred additional experience, and skills:

Multi lingual English / Spanish
