Approved Brands

Any manufacturers' names, trade names, brand names, or catalog numbers used in the specification are for establishing and describing general performance and quality levels. The references are not intended to be restrictive, and bids are invited on these and comparable brands or products of any manufacturer. Responders must include alternate brand specifications for purposes of comparison to approved brands based on the same or higher level of performance.

Pre-Bid Substitution Form

Per attribute #4 pre-bid substitution form for alternate brand substitution is attached on the Attachment Tab and is to be returned to tanner.thomsen@iowadot.us by Question Cutoff Date/Time listed above.

Contract Award

One contract will be awarded for all items. All items are tied.

Contract Renewals

The Contractor will be awarded a one (1) year contract with an option to renew for five (5) additional years in twelve (12) month increments.

Contract Quantities

Quantities listed are estimates only. Actual purchases may vary considerably based on actual needs throughout the contract period.

Purchase Orders

All quantities listed on lines 1-9 on this request will be purchased upon award. Lines 10-12 (estimated yearly quantities are listed), these items are currently not needed at this time. Additional purchase orders will be issued for additional items as needed throughout the contract period.
