### 3.1 Price Change

Preference shall be given to the bidder submitting the lowest and best firm price as its bid. Should it be found that due to unusual market conditions, it is in the best interest of the City to accept a price with an escalation clause, the following shall apply:

Unless otherwise specified, prices shall be reviewed no more often than on a quarterly basis.

Cost data to support any proposed increase must be submitted to the Purchasing Department no less than 30 days prior to the effective date of any such requested price increase.

Any adjustment allowed shall consist of verifiable material cost increases which may be passed on to the consumer.

No adjustment shall be made to compensate a supplier for inefficiency in operation, or for additional profit.

Bids indicating price in effect at time of shipment will be considered invalid.

### 3.2 Bonds

Unless stated otherwise, no bond, certified check, or U.S. Money Order is required.

### 3.3 City License Requirement

Contractor must be licensed in the State of Georgia by a governmental entity for which the bidder does the majority of its business.

### 3.4 Tie Bids

A tie bid exists when two or more bidders offer, at identical prices, products that meet all specifications, terms, and conditions. In such a situation, the City shall provide two (2) preferences which will be used to resolve tie bids whenever applicable: (1) preference to products sold, manufactured, or produced or services provided by vendors within the City of Savannah, and (2) preference to products sold or offered by bidders/offers within Chatham County. If these preferences are insufficient to resolve the tie, the following in order of priority may be considered:

- Past performance of the bidders
- Earliest delivery date
- Division of the order
- Closest proximity to delivery site
