3 PROPOSAL DELIVERY, PROPOSALS DEADLINE, OPENING, PROPOSAL WITHDRAWAL, AND CONTRACT AWARD PROCESS

Proposal Delivery:

Although we are legally required to accept paper submittals, we strongly encourage that vendors submit electronically. Electronic bidding will eliminate errors, unnecessary work, and reduce paper. When filing this response electronically, please do not send us a paper copy as the electronic version will prevail. If you must submit a paper response, it must be in a sealed envelope and you must write the RFP name, RFP number, and your company name on the outer envelope.

Responses and offers must remain open for acceptance for a period of sixty (60) days subsequent to the opening of the CSP, unless otherwise indicated, to allow time for the offer(s) to be evaluated and Board of Trustees action, if required.

Proposal Deadline:

Proposals must be received by the deadline specified herein. Proposals received after the the specified time and date will be rejected and will not be considered.

Any proposal received later than the specified date/time, whether delivered in person or electronically, shall be disqualified.

If the District office location where bids/proposals are to be submitted is closed due to inclement weather, natural disaster, or for any other cause including if the electronic bid system is unavailable on the due date, the deadline for submission shall be extended until the next District calendar business day, unless notification is made by the District via an RFP addendum. The time of day for submission shall remain the same.

Proposal Opening:

All proposals will remain sealed until after the proposals deadline has passed. Then, Aledo ISD shall open and record all Proposals received. Respondents may request this information by emailing kwhitley@aledoisd.org.

Proposal Withdrawal:

No proposal may be withdrawn prior to the opening of proposals without written request (addressed to the Aledo ISD Business Office) by an authorized agent of the Contractor and upon written approval by the District. Proposals become the property of Aledo ISD upon receipt.

Contract Award:

1. Any contract awarded as a result of this RFP will be subject to Aledo ISD Board approval. It is anticipated that proposals will be submitted to the Board for approval on August 19, 2024.

2. The District may award a contract on the basis of proposals received, without discussions. Therefore, each proposal should contain the Proposer's best terms from a financial and technical standpoint. The District may negotiate with one or more Proposer; and no Proposer shall have any rights against the District arising from such negotiations or any invitation to negotiate.

3. The District Business Office and Contractor(s) may enter into discussions and revisions of proposal, as

necessary. Discussions/negotiations may be conducted with Contractor(s) who are deemed to be within the final competitive range; however, Aledo ISD reserves the right to award a contract without discussions/negotiations. If discussions/negotiations are conducted, Contractors will be required to submit a best and final proposal. The best and final proposal may be required as early as 24 hours after completion of discussions/negotiations.

4. This RFP does not commit the District to award a contract or to pay any costs incurred in the preparation of a proposal in response to this request.

5. Aledo ISD reserves the right to accept or reject all or any part of any proposal, waive minor proposal informalities/technicalities and award the proposal deemed to be most advantageous to the District.

6. It is the intent of this RFP that should a given proposal be accepted, it will automatically become part of a binding contract.

7. The successful Contractor(s) will be notified in writing (manifested by an award letter or properly executed purchase order) after the Contract is awarded by the Aledo ISD Board.

Should a District employee want to make a purchase with your company, that District end-user will reach out to you directly for a quote.
