**I. INTRODUCTION**

**A. PURPOSE**

The purpose of this Request for Proposal is to obtain sealed proposals for law enforcement uniforms.

It is the goal of this Request for Proposal to identify a vendor(s) and execute a contract to provide uniforms for various law enforcement agencies throughout the State of Delaware.

**1. COMPETITIVE SEALED PROPOSAL**

It has been determined by Director, Government Support Services, pursuant to **Delaware Code Title 29, Chapter 6924 (a)** that this solicitation be offered as a request for competitive sealed proposals because the use of competitive sealed bidding is not practical and/or not in the best interest of the State. The use of competitive sealed proposals is necessary to:

- Use a contract other than a fixed-price type; or
- Conduct oral or written discussions with vendors concerning technical and price aspects of their proposals; or
- Afford vendors an opportunity to revise their proposals through best and final offers; or
- Compare the different price, quality and contractual factors of the proposals submitted; or
- Award a contract in which price is not the determining factor.

**2. CONTRACT REQUIREMENTS**

This contract will be issued to cover the requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, Municipality, Volunteer Fire Company or higher education entity receiving state funds. Furthermore, this contract shall be accessible to all other entities as identified by Del. Code, Chapter 69, Title 29 § 6910.

**3. MANDATORY USE CONTRACT**

**REF: Title 29, Chapter 6911(d) Delaware Code.** All Covered Agencies as defined in 29 *Del. C.* § 6902(6) shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, school districts, and the Legislative Branch are specifically exempted from the requirements of this subchapter. In addition, the Delaware Transit Corporation is exempt from the entire procurement chapter. Pursuant to 29 *Del. C.* § 6904(l) and (n) respectively, the Department of Elections and the Board of Pension Trustees have certain exemptions from the procurement chapter which may or may not apply to this Request for Proposals.

**4. COOPERATIVE USE OF AWARD**

As a publicly competed contract awarded in compliance with 29 DE Code Chapter 69, this contract is available for use by other states and/or governmental entities through a participating addendum. Interested parties should contact the State Contract Procurement Officer identified in the contract for instruction. Final approval for permitting participation in this contract resides with the Director of Government Support Services and in no way places any obligation upon the awarded vendor(s).

**5. MULTIPLE SOURCE AWARD**

The Agency reserves the right to award this contract to more than one vendor pursuant to 29 *Del.C.* § 6926. Government Support Services reserves the right to reject any or all bids in whole or in part, to make multiple awards, partial awards, award by types, item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

**6. POTENTIAL CONTRACT OVERLAP**

Vendors shall be advised that the State, at its sole discretion, shall retain the right to solicit for goods and/or services as required by its agencies and as it serves the best interest of the State. As needs are identified, there may exist instances where contract deliverables, and/or goods or services to be solicited and subsequently awarded, overlap previous awards. The State reserves the right to reject any or all bids in whole or in part, to make partial awards, to award to multiple vendors during the same period, to award by types, on a zone-by-zone basis or on an item-by-item or lump sum basis item by item, or lump sum total, whichever may be most advantageous to the State of Delaware.

**7. SUPPLEMENTAL SOLICITATION**

The State reserves the right to advertise a supplemental solicitation during the term of the Agreement if deemed in the best interest of the State.

**8. CONTRACT PERIOD**

Each Vendor's contract shall be valid for one-year period from December 1, 2024 through November 30, 2025. Each contract may be renewed for two (2) one (1) year periods through negotiation between the Vendor and Government Support Services. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

**II. SCOPE OF WORK**

**A. OVERVIEW**

The Vendor(s) shall provide all equipment, materials and labor to supplement the State of Delaware's need for as described in this Request for Proposals. The contract will require the Vendor(s) to cooperate with the ordering agency to ensure the State receives the most current state-of-the-art material and/or services.

**B. BACKGROUND**

Law Enforcement Agencies throughout the State of Delaware have acquired made-to-measure custom uniforms for their officers to ensure they can perform their required duties without obstructions from ill-fitting apparel. The market research indicates that made-to-measure uniform services are no longer available. Therefore, the law enforcement agencies throughout Delaware must find a solution that is equivalent to the custom uniform compliment they currently possess with alteration services for a custom fit.

If a vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the RFP number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 *Del. Upon receipt of a proposal accompanied by such a separate, sealed envelope, the State of Delaware will open the envelope to determine whether the procedure described above has been followed.

If an exemption certificate is requested by a vendor, the Division of Accounting will work with the agency and vendor to complete the appropriate certificate. Such taxes shall not be included in prices quoted.

**20. INDEPENDENT CONTRACTORS**

The parties to any contract from this solicitation shall be independent contractors to one another, and nothing herein shall be deemed to cause the agreement to create an agency, partnership, joint venture, or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations, or other liability whatsoever of the other party or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

**21. TEMPORARY PERSONNEL ARE NOT STATE EMPLOYEES UNLESS AND UNTIL THEY ARE DIRECTLY HIRED**

Vendor agrees that any individual or group of temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation shall remain the employee(s) of Vendor for all purposes including any required compliance with the Affordable Care Act by the Vendor. Vendor agrees that it shall not allege, argue, or take any position that individual temporary staff person(s) provided to the State pursuant to this Solicitation must be provided any benefits, including any healthcare benefits by the State of Delaware and Vendor agrees to assume the total and complete responsibility for the provision of any healthcare benefits required by the Affordable Care Act to aforesaid individual temporary staff person(s). In the event that the Internal Revenue Service, or any other third-party governmental entity determines that the State of Delaware is a dual employer or the sole employer of any individual temporary staff person(s) provided to the State of Delaware pursuant to this Solicitation, Vendor agrees to hold harmless, indemnify, and defend the State to the maximum extent of any liability to the State arising out of such determinations.

Notwithstanding the content of the preceding paragraph, should the State of Delaware subsequently directly hire any individual temporary staff employee(s) provided pursuant to this Solicitation, the aforementioned obligations to hold harmless, indemnify, and defend the State of Delaware shall cease and terminate for the period following the date of hire. Nothing herein shall be deemed to terminate the Vendor's obligation to hold harmless, indemnify, and defend the State of Delaware for any liability that arises out of compliance with the ACA prior to the date of hire by the State of Delaware. **23. ACA SAFE HARBOR**

The State and its utilizing agencies are not the employer of temporary or contracted staff. However, the State is concerned that it could be determined to be a Common-law Employer as defined by the Affordable Care Act (“ACA”). Therefore, the State seeks to utilize the “Common-law Employer Safe Harbor Exception” under the ACA to transfer health benefit insurance requirements to the staffing company. The Common-law Employer Safe Harbor Exception can be attained when the State and/or its agencies are charged and pay for an “Additional Fee” with respect to the employees electing to obtain health coverage from the Vendor.

The Common-law Employer Safe Harbor Exception under the ACA requires that an Additional Fee must be charged to those employees who obtain health coverage from the Vendor but does not state the required amount of the fee. The State requires that all Vendors shall identify the Additional Fee to obtain health coverage from the Vendor and delineate the Additional Fee from all other charges and fees. The Vendor shall identify both the Additional Fee to be charged and the basis of how the fee is applied (i.e. per employee, per invoice, etc.). The State will consider the Additional Fee and prior to award reserves the right to negotiate any fees offered by the Vendor. Further, the Additional Fee shall be separately scored in the proposal to ensure that neither prices charged, nor the Additional Fee charged will have a detrimental effect when selecting vendor(s) for award.

**24. FUNDING OUT or NON-APPROPRIATION**

In the event the General Assembly fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

## Appendix A – SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

### A. OVERVIEW

Various police departments throughout the State of Delaware require custom-fitted uniforms for their officers. The custom-fitted uniforms ensure the officers can complete the tasks required in their job without obstructions from ill-fitting apparel.

Upon completion of the uniform inspection the police agency will coordinate with the awarded vendor appointments for the vendor to come on site to take the officer's measurements. The Delaware State Police (DSP) conduct two recruit classes annually. In the Fall, DSP conducts a division-wide uniform survey/inspection to determine the replacement needs for the long and short-sleeved shirts, as well as winter and summer pants. **Upon completion of the uniform survey/inspection, the police agency will coordinate with the awarded vendor for the vendor to come on-site to take the officer's measurements. Measurement sessions are usually held one in each county.**

On average, 175 to 250+/- items are replaced for each type of uniform, and the final numbers may fluctuate based on the number of recruits. The Fall Recruit class number are included in the Fall survey. DSP needs are fluid and subject to change throughout the calendar year.

No complete uniforms, badges, patches, or insignia that is unique to any State Agency, Division, Section, School District, Political Subdivision, or Volunteer Fire Department may be sold to the general public.

Any information obtained by the vendor, to include names, personal financial information and sizes, are to be kept confidential and are deemed the property of the ordering Police Department. If a vendor is not awarded the contract and was a vendor who previously held this contract, all information regarding the officers, to include files of names, sizes and locations, must be turned over to the appropriate Police Department.

For uniform continuity, bidders are required to bid on all items for each Agency contained within this solicitation. **A vendor wishing to provide uniforms to DSP must bid all uniform components identified for DSP for the bid to be considered. If a vendor wishes to bid specific municipalities or other State agencies, the vendor must bid all uniform components specific to that municipality or other State agency.**

### B. GENERAL REQUIREMENTS

All materials used for the construction of the custom uniforms shall be first quality.

The production of the garments shall be first class in every respect. All materials necessary to produce the garments must be first quality, shall be custom fit to individual measurements and fittings, clean, well finished, and pressed. Uniforms constructed are to both be professional in appearance and be able to withstand the stresses exerted in the performance of the normal duties of a law enforcement officer.

**I. ORDER PLACEMENT, DELIVERY, AND CORRECTIONS**

**1. Orders**

**a) Delaware State Police Recruit Classes**

Delaware State Police will coordinate fittings/measurement date with vendor and recruit organizations. A full complement, as outlined in Appendix D, for each recruit shall be delivered within 90-days from the date the measurements were taken.

STATE OF DELAWARE  
Office of Management and Budget  
Government Support Services

Typical recruit class consists of 25-35 cadets going through a 22 to 24-week course. Fitting/measurement typically occur during week 5, with delivery expected by week 20–22 depending on the length of the academy.

**b) Annual Replacement, DSP**

For DSP annual uniform replacements DSP will coordinate with the vendor the logistics (locations & dates) for fittings/measurements. Quarter Master will approve what items are to be replaced for each officer. Upon conclusion of fittings/measurements, Vendor shall advise DSP of turnaround time, based on size of order. Turnaround time in excess of that identified in Appendix C must include sufficient justification for the additional time and be approved by DSP. **(No per officer, per item minimums will be considered.)**

DSP annual replacement estimates are based on the annual uniform inspection to replace worn items. DSP new hires receive a full complement of uniforms. **The “average number of items replaced each year” does not include new hires.**

**c) Annual Replacement, Other**

Municipalities or other State Agencies may attend a DSP annual fitting/measurement appointment or will coordinate a separate appointment with vendor. Non-DSP replacements require written authorization from the agency/municipality identifying what replacements have been pre-approved. **(No per officer, per item minimums will be considered.)**

**2. Order Cancellation - Recruits**

Agencies are required to notify Vendor within 48 hours of discovery of recruit resignation or termination to cancel uniform order. Vendor must cancel order without charge to the Agency for all items unless they are in production. Vendor will pro-rate invoice for any items in production at the time of order cancellation.

**3. Delivery**

Delivery of uniforms to the Agency; not delivered personally by the awarded vendor, must be sent via UPS or other traceable method at no cost to the Ordering Agency. For orders shipped through a delivery service, the Vendor is to notify the Ordering Agency via email when the order has been shipped, estimated delivery date, and tracking number for the order.

Delivery of recruit uniforms shall be packed by individual with the recruit’s entire uniform together and ship when it is a complete order (example: all shirts and trousers will be packed in the same box, bag, etc. to the extent possible). **Vendors are asked to identify the delivery turnaround, taking all factors into consideration to “complete” a uniform (piece or complement), based on the order size.**

Delivery for annual replacements may be shipped, as ready or held until full order is complete, at the agency’s discretion. Vendor must provide delivery within the timeline identified in Appendix F – RFP Vendor Questionnaire response. Delivery in days notated in Appendix F - RFP Vendor Questionnaire response shall factor in all elements necessary to produce a “complete” item (receipt of product, alterations, application of patches, etc.).

Delivery turnaround time should be realistic and honest. **If a situation arises and the delivery turnaround may be impacted, it is the vendor’s responsibility to communicate with the agency any delivery delays.**

**4. Substitutions/Alternatives**

Ensuring the end-product is cohesive with that of existing uniforms; style, fabric, look, and color, is extremely important. While a substitution/alternative may be an option in the event of order delays, any substitution **MUST MEET** all specifications as outlined in the scope of work or addendum to the contract, at or below the

STATE OF DELAWARE  
Office of Management and Budget  
Government Support Services

awarded contract pricing. Substitutions/alternatives must be communicated with the ordering agency prior to order processing.

**5. Back Order**

Communication and prompt delivery of quality uniforms is crucial to this contract. It is the responsibility of the vendor to notify the ordering agency, in writing, immediately upon determination of potential delays. The vendor shall explain the reason for the delay and provide an updated delivery date. A penalty\* of \$1.00 per day, per item may be charged for orders where the vendor has not communicated delivery days. Habitual failures to meet delivery turnaround times or failure to communicate delays with the agency may result in Corrective Action, impacting extension considerations and future award considerations.

\*The penalty fee is applied for non-communication of delivery delays.

**6. Packaging**

All deliveries shall be packaged individually, and the package shall be clearly marked on the outside with the purchase order number. The packing list shall include detailed information i.e., customer name and sizes enclosed as needed in accordance with the purchase order to facilitate inspection and distribution of the product at destination. Additional request regarding packaging shall be negotiated between the ordering agency and the vendor.

**7. Inspection**

Upon delivery, the item(s) shall be inspected by an authorized representative from the respective agency, and if found to be defective or failing in any way to meet the specifications as indicated, it may be rejected.

**8. Return Material Authorization**

Each ordering agency may return non-conforming material stock or special to the successful bidder at no charge to that agency. The agency will notify the vendor of the deficiencies by email. Immediate replacement is expected if required by that agency.

**J. ALTERATIONS**

Uniforms are to be made to fit or tailored to fit the individual officer, and include all patches, insignias, buttons, etc. as outlined in Appendix B. As such no additional charge for this service shall be passed on to the ordering agency.

At the discretion of the State, all awarded items will need to be provided in an electronic format for use in a hosted catalog offering which will be presented in the State's eProcurement solution. All single items listed must reflect one (1) price, at the discounted rate as offered by the vendor in their proposal and as accepted by the State. Volume discounts offered for multiple units or multi-unit packaging shall be listed as a separate line item(s) in any catalog submitted for posting to the State's eProcurement solution.

The awarded vendor(s) will be directed to supply the catalog file to an identified state representative and/or the State's designated eProcurement vendor at any time after execution of the contract, but no later than 45 days after the contract execution.

A zero dollar catalog shall be submitted to the eProcurement solution vendor no later than 30 days prior to the end of the contract term, and shall be the final catalog update provided under the agreement. The State will approve this catalog, after the contract end date, to remove all items and pricing from the eProcurement Solution. The zero dollar catalog serves as a correcting entry to maintain system integrity of valid and currently awarded items. The failure by the Vendor to comply and submit this correcting entry will be viewed as a major performance deficiency, and may prevent the State from awarding the Vendor on a future contract opportunity.

At any time during the contract term, (1) the vendor shall remove individual or categories of items from the catalog offering if requested by the State; (2) consider expanding the catalog offering with additional items or categories if requested and accepted by the State; and/or (3) the State may take unilateral action on the items listed in the eProcurement solution to hide or otherwise make unauthorized any items the State believes is outside the scope of the awarded categories.

The failure and/or inability to comply with this hosted catalog requirement may subject the awarded vendor to corrective action, up to and possibly including termination of the contract.

A hosted catalog is defined as a vendor supplied electronic catalog of all awarded items, including item descriptions, attributes and the award prices, which will be stored and publicly visible in the State's eProcurement solution. At the sole discretion of the State, the contract team will consider implementation and use of a punchout catalog solution in lieu of the hosted catalog option. A punchout catalog uses the eProcurement system to access to the Vendor's electronic catalog. Users can then shop, select and retrieve items back into the eProcurement system, allowing the original to execute an order.
