

RFQ26006139 - AGENCY SOLICITATION SPECIFICATIONS TITLE: DEM ENVIRONMENTAL POLICE OFFICER UNIFORMS

SECTION A. BACKGROUND

The State of Rhode Island, Department of Environmental Management (DEM), Division of Law Enforcement (DLE) is seeking proposals for supplying uniforms to its Environmental Police Officers. DLE seeks to maintain professional uniform standards for our existing and projected new officers and to conform with our Division Uniform Policy, which requires the issuance and replacement of uniforms.

SECTION B: SCOPE OF WORK AND REQUIREMENTS

GENERAL REQUIREMENTS

- The awarded vendor must be an authorized distributor of First Tactical products and supply only genuine First Tactical items as specified in the bid.
- All bid pricing must include shipping and handling costs.
- The vendor is responsible for providing accurate measurements and performing any necessary alterations to ensure proper fit of the requested items.
- All items must meet the detailed specifications outlined in the bid documentation.
- Delivery of all requested items must be completed within 90 calendar days from the date the order is received.
- The Division of Law Enforcement (DLE) will supply official Division shoulder emblems, which the vendor must affix to garments in accordance with the specified requirements.
- All bids must include the submission of a completed RFQ26006139 Exhibit A: Cost Proposal Bid Sheet.

AGENCY SPECIFIC FINISHING FOR FIRST TACTICAL UNIFORMS & GEAR

The Rhode Island Department of Environmental Management, Division of Law Enforcement requires the following agency specific finishing to the First Tactical specified garments listed. The agency will provide the respective agency shoulder patches in the appropriate number to the vendor. All embroidery and sewing should not interfere with the proper functioning of pockets on the garment. This award shall require that the vendor complete and assure that proper fit for the respective users is completed. Sample shirt, jackets, and hats with finishing can be provided to the vendor. Sample of embroidered hook badge number tapes will be provided (see description and photo at bottom for badge number tapes, Badge, Shield, & Emblem).

V2 TACTICAL LONG / SHORT SLEEVE SHIRT (OD Green) # 111006, 121006, 112007, 122007

Two agency supplied shoulder patches sewn on both shoulders positioned one inch below the shoulder seam and centered on the shoulder portion of this garment. BADGE embroidered on the left breast area and a loop Velcro badge number tape (1.5" H X 3" W) sewn onto the right breast area. Embroidered hook badge number tapes are to be included and made to our specifications. Embroidered badge and badge number tape shall be positioned centered on the respective breast area and be placed not more than ½" above any breast pocket. Vendor supplied OD green & black sergeant chevrons centered below the agency shoulder patches on both sleeves specifically for sergeants in the agency.

V2 PRO PERFORMANCE LONG / SHORT SLEEVE SHIRT #112012, 122012, 111015, 121015,

Two agency supplied shoulder patches sewn on both shoulders positioned **one inch** below the shoulder seam and centered on the shoulder portion of this garment. BADGE embroidered on the left breast area. Vendor supplied OD green & black sergeant chevrons centered below the agency shoulder patches on both sleeves specifically for sergeants in the agency.
