1.0 INTRODUCTION

The purpose of this Request for Proposal (RFP) by the City of Harrisonburg, Virginia (City) is to solicit sealed proposals from interested vendors (Offeror) to provide City uniforms for purchase and use by the City's Public Works Department. *Please note the City does not have interest in a uniform rental service.*

2.0 BACKGROUND

The City of Harrisonburg is an independent city located in the central Shenandoah Valley region of Virginia. It is the county seat of Rockingham County and encompasses 17.3 square miles, serving a population of approximately 56,000. Harrisonburg is located along Interstate 81 and is only two hours away from both Richmond, Virginia and Washington, D.C. Harrisonburg is home to two university campuses – James Madison University and Eastern Mennonite University – as well as numerous other businesses, non-profit organizations and a vibrant downtown.

With more than 100 employees, the City's Public Works Department provides the following services, including but not limited to, trash collection, recycling, maintenance of city streets, maintenance of traffic signals and street signs, transportation planning, and construction of new transportation facilities.

3.0 SCOPE OF WORK

The City is seeking an exclusive direct purchase uniform and work apparel vendor that can supply approximately 100 Public Works employees, both men and women, with new quality embroidered clothing. Clothing shall include but not be limited to: t-shirts, polo shirts, button-down shirts, Henley shirts, sweatshirts, light jackets, three season jackets, khakis, jeans, and pants. The City is interested in purchasing items only and will not consider rentals. The City reserves the right to add/remove similar, related items to this contract.

3.1. PROGRAM MANAGEMENT

All employees included in the clothing program for this department will be issued a set stipend to be utilized to purchase uniform and work apparel under this contract. The City will be responsible for monitoring the spending account for each participating employee and ensuring that the User does not exceed the set stipend. No orders shall be placed under this contract by any employee other than the Contract Administrator or his/her designee. The number of employees participating in the clothing program may vary from year to year.

The stipend for full-time employees is currently set at \$400 per employee for field operations crews and \$200 per employee for administration staff. Employees have the option to purchase boots and jeans locally.

All orders placed by the Public Works Department for employee uniforms will be shipped to one central location and disseminated internally. Other City departments may choose to order from this contract and the shipping would be required to be sent to their requested location(s).

3.2. CLOTHING SPECIFICATIONS

In lieu of providing clothing specifications, the City intends for each Offeror to provide the City with a percentage discount off of catalog (or listed) pricing. All apparel shall be new, unused, current models, and not previously sold to another customer. They shall be free of defect in material and workmanship. The City intends to limit employees to only logo'd shirts, sweatshirts, outerwear, and work jeans/pants. Outerwear normally offered are jackets, pants, fleeces, sweatshirts and rain gear.

Employees have the option to choose any shirt/pant/outerwear garment except camouflage, as this would hinder the appearance of the Public Works logo. Attachment J is an example of orders showing a small sample of some of the items being purchased. This is not intended to be a complete listing, but just a small sample.

Other clarifications on clothing specifications:

- The largest size needed in shirts and pants is 5X.
- Fire-rated garments are not required.
- Class III ANSI approved safety shirts and outerwear are not required.
- Offeror is not required to take measurements of employees. Employees are expected to provide their correct sizing for the order.
- City may request unembroidered samples of clothing from successful Offeror.
- Uniform alterations such as hemming or sewing patches will not be required.
- Screen printing is not required.

3.3. QUANTITY

Approximately 100 Public Works employees will fall under this contract, requiring uniform purchases. This is an estimated annual usage only, and nothing herein shall bind the City to purchase any specified number of product(s). It is also further understood that the City shall not be obligated to purchase or pay for any product(s) covered unless and until ordered and received in good condition by the City. The City may increase or decrease the number of uniforms (or employees) as it deems necessary. The City reserves the right to or services similar products to/from this contract as it deems necessary during the life of the contract. No minimum order quantity of products shall be required under this contract.

The City anticipates placing one bulk order annually, with as-needed basis orders for new employees hired throughout the year.

3.4. CITY LOGO & EMBROIDERY

The City logo is included in this RFP as Attachment I. When a City logo is required to be embroidered on a garment, the City will provide the Offeror with a digital file of the City logo. All embroidered logos shall be provided at no additional cost to the City. The City will not have any logos embroidered in full color, but rather only utilize black, white, and gray threading. Offerors are to provide their embroidery pricing (black, white, gray) in addition to their percentage off discount of catalog (or list) pricing. Indicate if the discount applies to the cost of embroidery.

The City does not have any patches that will be affixed to garments – only embroidery of the City logo will be required. All shirts, sweatshirts, and outerwear must have the embroidered City logo. The City's logo shall be located on the shirts, sweatshirts, and outerwear on the left breast pocket, or in the event there is no pocket on the garment, in the left breast pocket area.

3.5. CATALOGS & ORDERING PROCESS

Each Offeror shall submit with their proposal submission the following documents or electronic links to the following: catalogs, descriptive literature, designs, and other necessary information to fully describe the material or apparel proposed to be furnished. The catalog shall include or be accompanied by a detailed sizing chart for items included in the catalog. Offeror should provide examples of embroidery for another customer account. A link of the catalog is sufficient.

The City is not looking for a custom website with exact items the organization chooses. Offeror should provide a dedicated custom web portal where employees can browse catalog and place orders per contract pricing terms.

Each employee should have the ability to login to the site, select their chosen clothing, see the total order cost with any embroidery fee and discounts factored in, submit order upon completion, and then their request is routed through an internal approval process before being filled by the vendor. The City will order clothing specific to an individual employee and that employee's name is expected to be included on the individually packaged tag/label for their associated items. Delivery tickets or shipping statements shall show the quantity, item number, unit prices, total price, and employee name(s).

If the vendor's website requires terms & conditions to be reviewed and agreed to, this information must be submitted with the proposal response for review. No request for additional terms and conditions on a website will be considered after contract signature.

3.6. SAMPLES

City may request samples of a product or products from Offeror to assess quality, size, type, or other specifications. When samples of items are requested, samples must be furnished free of charge to the City, and if not destroyed or altered in the evaluation process, may be returned to the Offeror at the Offeror's expense upon request. Request for the return of samples must accompany the sample and must include a UPS/Fed-Ex Pickup Slip, postage, or other acceptable mode of return. Individual samples must be labeled with Offeror's name, RFP number, item reference, manufacturer's brand name and number.

A sample of the embroidery for approval prior to embroidering on shirts, sweatshirts and outerwear will be required. This may be required for each garment color, at no additional charge to the City.

3.7. WARRANTY

3.7.1. The Offeror warrants that all goods and services furnished to the City shall be in accordance with specifications and free from any defects of workmanship and materials: that goods furnished to the City shall be merchantable and fit for the City's described purposes, and that no governmental law, regulation, order, or rule has been violated in the manufacture or sale of such goods.

3.7.2. The Offeror shall provide information on a return and refund policy which shall include embroidered and non-embroidered items. At a minimum, if an article of clothing is delivered damaged or is a different item/size/color/etc. than that requested by the City and City notifies Offeror within thirty (30) days after delivery is received and accepted then corrections, repairs or replacement shall be performed by Offeror at no additional charge.

3.8. PRICING

Offeror shall provide pricing as discount off catalog price. Offerors shall include any additional, optional costs in their proposal for things such as alterations, sizing, oversize, and tall sizes, etc.

Offeror shall also include pricing for embroidery that is above and beyond the embroidery specifications listed in Section 3.4 above. City shall not be charged a "set up" fee for logo. Offeror should identify the dollar amount per embroidery and if the discount off catalog pricing applies to embroidery cost as well. The City intends to only utilize embroidery colors of black, white, and gray. The intention was to acquire pricing for any additional embroidery (i.e. multiple colors if utilized in future, or names added under logo, etc.).

The City would rather have a percentage off discount of catalog (or list) pricing.

3.9. BILLING

The following information shall be provided on the invoice: Public Works division and employee name.

Public Works divisions include: Street, Sanitation, Traffic, Administration and Engineering.

Invoices with incorrect and/or missing information shall be returned to the Offeror for correction prior to payment. The City will not pay late fees for invoices delayed due to incorrect or missing information.

3.10. ITEMS ON BACK ORDER/UNAVAILABLE

Vendor must provide a list of any item(s) on back order or that are unavailable within forty-eight (48) hours of order placement.

3.11. DELIVERY INFORMATION

The City intends to place one (1) lump sum order for all employee garments and apparel near the beginning of each fiscal year, and then items will be ordered as-needed throughout the contract term. The initial order for this contract is anticipated in July 2022 for the City’s current 100 employees; however items may be ordered as-needed for new employees prior to this date.

Products shall be delivered to the City of Harrisonburg Public Works Department, located at 320 East Mosby Road, Harrisonburg, Virginia 22801. Products shall be delivered in one (1) complete delivery (organized by employee name) and shall not be delivered in multiple, partial deliveries to the City. Hours of operation for the Public Works Department are 7:30am to 4:00pm, Monday through Friday except City holidays (www.harrisonburgva.gov/city-holidays). All pricing shall be on an F.O.B. Destination basis and shall include all delivery costs (freight, packaging, and handling). All prices, delivery, fitting, or any other fee shall be clearly noted and included in the proposal cost.

All items must be delivered within six (6) weeks of order date. The City will accept late delivery on back ordered items only. The Contract Administrator shall be notified in writing at least 72 hours prior to delivery.

3.12. REPLACEMENT ITEMS

If a manufacturer discontinues a garment specified in this contract, during the period of the contract, the Offeror will identify another garment of equal or greater quality for substitution (with the approval of the City).

4.0 PRE-PROPOSAL MEETING

No pre-proposal meeting will be held for this solicitation.

Selection of the successful proposal will be based upon submission of proposals meeting the selection criteria. Proposal evaluations will be based on points, using the following minimum selection criteria:

- 1. Selection & Variety:** Selection and variety of products offered. (30 points)
- 2. Experience & Past Performance:** Prior experience in providing similar services, including client references and number of years in business. (30 points)
- 3. Pricing:** Costs will not be the sole deciding factor in the selection process but will be considered in the case of this RFP. (25 points)
- 4. Conformance to Terms & Conditions:** The Vendor's ability to deliver the required services on time and in accordance with the Scope of Work, to include bill by division, deliver complete order within time period listed on proposal, package and ship complete by wearer name, etc. (15 points)

The Offerors' ability to follow the proposal preparation instructions set forth in this solicitation, including the failure to return required pages, missing signatures, missing documents, etc. will also be considered an indicator of the Offerors' ability to follow instructions during the project and may impact the points assigned above. Significant failure to respond to the proposal according to instructions may result in the City eliminating the proposal from evaluation.

As part of the evaluation process, the City may ask questions of a clarifying nature from Offerors as required. The City may also request an oral presentation to explain the proposal and answer questions.

The City reserves the right to cancel this RFP at any time or reject any or all proposals received as a result of this RFP if it is in the best interest of the City. The City reserves the right to waive any informality in any proposal.

11.0 AWARD OF CONTRACT

Selection shall be made of two (2) or more Offerors deemed to be fully qualified, responsible and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. In the case of a proposal for information technology, as defined in § 2.2-2006, a public body shall not require an offeror to state in a proposal any exception to any liability provisions contained in the Request for Proposal.

Negotiations shall then be conducted with each of the Offerors so selected. The Offeror shall state any exception to any liability provisions contained in the Request for Proposal in writing at the beginning of negotiations, and such exceptions shall be considered during negotiation. Price shall be considered, but need not be the sole or primary determining factor. After negotiations have been conducted with each Offeror so selected, the public body shall select the Offeror which, in its opinion, has made the best proposal and provides the best value, and shall award the contract to that Offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one Offeror. Should the public body determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror.

Once the selection has been made as to which Offeror will be awarded the contract, the Procurement Manager will post a Notice of Award on the eVA website at <https://eva.virginia.gov/>. The award documentation will subsequently be followed by a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the Offeror's proposal as negotiated.

Successful Offeror shall contact the Commissioner's Office to obtain proper business licensing for the City of Harrisonburg, if it does not already possess (540-432-7704).

The City reserves the right to make on-site visitations to assess the capabilities of individual Offeror(s) and to contact references provided with the proposal.

The City reserves the right to award a contract(s) to as many Offeror(s) as deemed necessary to fulfill the anticipated requirements of the City of Harrisonburg.

12.0 CONTRACT TERM

The subsequent contract will be a firm-fixed price contract for an initial three (3) year term with the anticipated contract(s) start date of July 01, 2026. The pricing will remain firm through the initial contract term and will include all charges that may be incurred in fulfilling the requirements of this initial contract. The City shall have the option to renew the contract for two (2) additional one (1) year terms. Changes in cost for any renewals will be based on mutual agreement between both parties. For any pricing increases the contractor will need to provide written justification and documentation to support such request.

13.0 PAYMENT TERMS

Upon receipt and acceptance of completed order, successful Offeror shall provide an accurate invoice to the Contract Administrator. The City will issue payment upon delivery and receipt of products in good condition by the City.

MANDATORY USE of CITY FORMS AND TERMS and CONDITIONS for ITBs AND RFPs: Failure to submit a bid/proposal on the official City form(s) provided or in the format identified, for that purpose shall be a cause for rejection of the bid/proposal. Unauthorized modification of or additions to any portion of the ITB or RFP may be cause for rejection of the bid/proposal. The City reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject any bid/ proposal which has been modified. As a precondition to its acceptance of an ITB response, the City may, in its sole discretion, request that the bidder withdraw or modify nonresponsive portions of a bid which do not affect quality, quantity, price, or delivery. MODIFICATION & WITHDRAWAL OF BIDS/PROPOSALS: Virginia Code § 2.2-4330

1. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

2. The bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice.
3. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.
4. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.
5. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
6. The public body shall notify the bidder in writing within five business days of its decision regarding the bidder's request to withdraw its bid. If the public body denies the withdrawal of a bid under the provisions of this section, it shall state in such notice the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder. At the same time that the notice is provided, the public body shall return all work papers and copies thereof that have been submitted by the bidder.
7. These procedures also apply for the withdrawal of bids for other than construction contracts.
8. A bidder/offeror may modify or withdraw his bid/proposal, either personally or by written request to the Purchasing office at any time prior to the scheduled time for opening of bids/proposals.

PUBLIC INSPECTION OF CERTAIN RECORDS: Virginia Code § 2.2-4342 Public inspection of all records is strictly governed by Virginia Code § 2.2-4342 and in accordance with the Virginia Freedom of Information Act (Virginia Code § 2.2-3700 et seq). Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.

REVISIONS to the OFFICIAL ITB/RFP: No bidder/offeror shall modify, revise, edit or make any unauthorized change(s) to the original official ITB/RFP. The official solicitation document and the Addenda(um) are the documents posted on the eVA website at <https://eva.virginia.gov>. In the event the eVA website is not able to be used, the City will post Addenda on the City's website at www.harrisonburgva.gov/bids-proposals. Any such violation as stated above may result in rejection of the ITB/RFP response. In addition, violations may result in the debarment of the bidder/offeror by the City of Harrisonburg.

TAXES: Sales to the City of Harrisonburg are normally exempt from State sales tax. Virginia Sales and Use Tax Certificate of Exemption, Form ST-12, will be issued upon request. The City may also be exempt from other taxes and fees.

USE OF BRAND NAMES: Virginia Code § 2.2-4315 Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict bidders/offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed

Unless the bidder/offeror clearly indicates in its bid/proposal that the product offered is an “equal” product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation. The City reserves the right to determine the suitability of substituted items for those specified and to accept in whole or in part any and all bids/proposals received.

BONDING REQUIREMENTS: If a bid security is required, it shall be provided in the amount of 5% of the total bid value unless otherwise specified. Bid security must be in the form of a cashier’s check, certified check or bid bond issued by a surety. The City reserves the right to retain the bid security of all bidders until the successful bidder enters into the Contract or until 90 days after bid opening, whichever is sooner. If performance and payment bonds are required, the contractor shall provide each in the amount of 100% of the total contract sum. The notice shall be sent within (30) thirty days after receipt of the invoice or the goods or services.

TESTING AND INSPECTION: **Virginia Code § 2.2-4302.1** The City reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications. Materials or components that have been rejected by the City, in accordance with the terms of the contract, shall be replaced by the Contractor at no cost to the City.

By submitting their bids/proposals, all bidders/offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. AWARD

CONTRACT AWARD

For ITB: The award(s) made in response to an ITB will be made to the lowest responsive and responsible bidder(s) for each item, or group of items indicated in the bid. The City reserves the right to make the sole determination of whether the product and/or options offered meet the minimum specifications and is acceptable in accordance with the specifications. The City’s decision shall be final. The City reserves the right to make a separate award for each item, a group of items or all items, and to make awards either in whole or in part, whichever is deemed by the City to be in its best interest. Delivery timelines may be a factor in making an award.

For RFP: The award(s) made in response to an RFP will be made to the highest qualified offeror whose proposal is determined to be the most advantageous to the City, taking into consideration the evaluation criteria set forth in the RFP. After negotiations, the offeror who has made the best proposal and provides the best value shall be awarded the contract.

Professional services shall be procured and awarded by competitive negotiation as set forth in **Virginia Code § 2.2-4302.2 A 4**.

The City reserves the right to cancel a solicitation at any time and to reject any or all bids/proposals, in whole or in part, to waive any informality and to delete items prior to making the award(s), whenever it is deemed in the sole opinion of the City to be in its best interest.

NEGOTIATION WITH THE LOWEST BIDDER: **Virginia Code § 2.2-4318** Unless all bids are canceled or rejected, the City reserves the right to negotiate with the lowest responsive and responsible bidder to obtain a contract price within the funds available to the City whenever such low bid exceeds the City’s available funds for the project. The City shall initiate such negotiations by written notice to the lowest responsive, responsible bidder that its bid exceeds the available funds and the City wishes to negotiate a lower contract price. The times, places and manner of negotiating shall be agreed to by the City and the lowest responsive, responsible bidder.

PRECEDENCE of TERMS: General Terms and Conditions shall apply in all instances except for federally funded contracts. In the event there is a conflict between the General Terms and Conditions and any Federal, Special, Standard, or Supplementary Terms and Conditions in this solicitation, the Federal, Special, Standard, or Supplementary Terms and Conditions shall apply.

The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

ANTITRUST: By entering into a contract, the contractor conveys, sells, assigns, and transfers to the City all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the City under said contract.

APPLICABLE LAWS and COURTS: This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, excluding its conflict of laws provisions, and venue for litigation with any respect thereto shall be proper only in the Circuit Court of Rockingham County, Virginia. The contractor shall comply with the notice upon receipt unless the contractor intends to claim an adjustment to compensation, schedule, or other contractual impact that would be caused by complying with such notice, in which case the contractor shall, in writing, promptly notify

the City of the adjustment to be sought, and before proceeding to comply with the notice, shall await the City's written decision affirming, modifying, or revoking the prior written notice. If the City decides to issue a notice that requires an adjustment to compensation, the contractor shall be compensated for any additional costs incurred as the result of such order and shall give the City a credit for any savings. Said compensation shall be determined by one of the following methods:

- a. By mutual agreement between the parties in writing; or
- b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the City's right to audit the contractor's records and/or to determine the correct number of units independently; or
- c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the City of Harrisonburg Purchasing and Contracting Policy Manual. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the City or with the performance of the contract generally.

The City assumes no responsibility for any notification of the availability of the contract for use by other public bodies, but the Contractor may conduct such notification. Other public bodies desiring to use this contract must make their own legal determination as to whether the use of this contract is consistent with their laws, regulations, and other policies

The City does not waive any right or release any party from liability, whether on its own behalf or on behalf of any boards, employees or agents. PAYMENT: **Virginia Code § 2.2-4352 – 2.2-4354**

1. **To Prime Contractor:**

Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. Any payment terms requiring payment in less than 45 days will be regarded as requiring payment 45 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 45 days, however. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price.

The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act. Individual contractors shall provide their social security numbers, and proprietors, partnerships, and corporations shall provide the City with a federal employer identification number, prior to receiving any payment from the City. The City requires an updated IRS Form W-9 be filed with the Purchasing Office at or before the contract is signed.

Unreasonable Charges: Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the City shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification.

The provisions of this section do not relieve the City of its prompt payment obligations with respect to those charges which are not in dispute. **Virginia Code § 2.2.4363**

2. **To Subcontractors:**

A contractor awarded a contract under this solicitation is hereby obligated to pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the City for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or;

Notify the City and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.

The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the City, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the City. Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the City.

SAFETY and OSHA STANDARDS: All parties performing services for the City shall comply with all Occupational Safety and Health Administration (OSHA), State Occupational Health Standards, and any other applicable rules and regulations. All parties shall be held responsible for the training, supervision, and safety of their employees. Any unsafe acts or hazardous conditions that may cause injury or damage to any persons or property within and around the work site areas under this contract shall be remedied per the regulatory agency's guidelines.

STORMWATER POLLUTION PREVENTION REQUIREMENTS: All parties performing services for the City shall not improperly dispose of or release any hazardous substance, material, or waste. The contractors shall comply with the requirements of Harrisonburg City Code Sec 7-6-5 "Illicit Discharges and Connections," Virginia Statewide Fire Prevention Code Sec 5003.3 Release of Hazardous Materials, and Virginia Statewide Fire Prevention Code Sec 5003.3.1.4 Responsibility for Cleanup.

Projects that do not meet the criteria for operating under an approved erosion and sediment control site plan are still required to implement control measures, as needed, to prevent sediment deposition and other illicit discharges to adjacent properties, the City's Municipal Separate Storm Sewer System (MS4) and waterways. These measures may include, but are not limited to construction entrances, road sweeping, silt fence installation, inlet protection, trash management and washout locations.

Contractors who will apply pesticides and/or herbicides shall be trained and certified in accordance with the Virginia Pesticide Control Act (§ 3.2-3900 et seq. of the Code of Virginia). Certification by the Virginia Department of Agriculture and Consumer Services (VDACS) Pesticide and Herbicide Applicator program shall constitute compliance with this requirement. Proof of certification shall be provided to the City before work begins.

The Contractor shall ensure that vehicles and equipment are not leaking oil or other fluids. If leaks are noted, contain the leak, and perform maintenance. For small spills, spot clean immediately, dry clean only (no water spraying), and sweep up absorbents and dispose of properly. For large spills call 911 for assistance.

TERMINATION: Subject to the provisions below, the contract may be terminated by the City upon thirty (30) days advance written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and perform on all outstanding orders issued prior to the effective date of cancellation.

1. **Termination for Convenience:** In the event that the contract is terminated upon request and for the convenience of the City, without the required thirty (30) days advance notice, then the City shall be responsible for payment of services up to the termination date.
2. **Termination for Cause:** Termination by the City for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision; termination costs, if any shall not apply. However, the City may hold the contractor responsible for any resulting additional purchase and administrative costs. The thirty (30) day advance notice requirement is waived in the event of Termination for Cause.
3. **Termination Due to Unavailability of Funds:** Agreements are made subject to the appropriation of funds (including grant funds, gifts or donations) by the Harrisonburg City Council and are null and void in the event of non-appropriation by the City Council. Non-appropriation of funds shall not be deemed a cancellation and shall terminate this agreement without recourse and with no liability on the part of the City.
4. **Termination Due to Suspension or Debarment:** In the event that the contractor is suspended or debarred by any local or state agency of the Commonwealth or the U.S. federal government during the term of a contract, the City may terminate the contract without advance notice at no penalty to the City. The City shall be responsible for payment of services up to the termination date.
