Every request for such clarification should be received at least five (5) calendar days prior to the date fixed for the opening of the bid, or preferably as specified on page 2. Such clarification or correction, as well as any additional Contract provisions the City shall decide to include shall be issued in writing by the City as an addendum and will be available for downloading from the Empire State Purchasing Group website (<http://www.empirestatebidsystem.com/>). Upon issuance, such addenda shall be binding on all Bidders. The requirements contained in all Solicitation Documents shall apply to all addenda.

- B. Only interpretations, corrections, or additional Contract provisions made in writing by the City as addenda shall be binding. No officer, agent, or employee of the City is authorized to clarify or correct the Contract Documents by any other method, and any such clarification or correction, if given, is not binding on the City.
- C. At the time of the opening of bids, each Bidder shall be presumed to have inspected the site (if applicable) and to be thoroughly familiar with all the Contract Documents. The failure of any Bidder to obtain, to examine all Contract

Documents, or to request a clarification or correction, shall in no way relieve any Bidder from any obligation in respect to the bid of such Bidder.

- D. Any subsequently alleged ambiguity, not raised by the successful bidder prior to the submission of his or her bid, shall be conclusively and unilaterally resolved by the Purchasing Director.

IV. Site Inspection / Pre-Bid Conference: Applicable Not Applicable

A pre-bid conference/site inspection for all prospective Bidders may be held at a time and place to be announced by the City for the purpose of discussing the Contract Documents and requirements in an informal setting. Prospective Bidders are encouraged to attend this pre-bid conference/site inspection. Nothing stated at the pre-bid conference/site inspection shall change the terms and/or conditions of the Contract unless memorialized in writing as required herein.

V. Preparation and Submission of Bids:

- A. The City may reject as non-responsive any bid not prepared and submitted in accordance with the provisions of the Contract Documents.
- B. Bids must be submitted on the forms supplied by the City. Bids shall be enclosed in a sealed envelope, addressed to the City, and marked with the **name and address of the Bidder, the Bid Number, the Bid Opening date and time, and the description of the Bid Project**. If the bid envelope is in turn enclosed in a special courier pouch or express mail envelope, such pouch or envelope must be denoted as **BID** and **labeled with the same aforementioned information**.
- C. All blank spaces for bid prices must be filled in, using both words and figures. When an error is made in extending total prices, the unit bid price will govern. In the event of a discrepancy between the Bid Amount in words and the Bid Amount in figures, the Bid Amount in words shall govern.
- D. Conditional bids shall be rejected. Bids shall not contain any recapitulation of the Work to be done. No oral, telegraphic, telephonic, or faxed bids, or modifications to the Bid requirements shall be considered.
- E. Bids that are illegible or that contain omissions, alterations, additions, or items not called for in the bidding documents shall be rejected as non-responsive. Any bid which modifies, limits, or restricts all or any part of such bid, other than as expressly provided for in the Contract Documents, will be rejected as non-responsive.
- F. Any bid may be withdrawn prior to the scheduled time for the opening of bids or the postponed date, if any.
- G. Any bid delivered after the opening date is late and time will not be accepted.
- H. A Bidder may not withdraw its bid during the **forty-five (45) calendar day** period following the actual date of the opening without prior approval of the City.

- I. Unbalanced bids may be rejected at the discretion of the City. Unbalanced bids shall be deemed to include any bid on any item which is not, in the opinion of the City based on a bona fide price for which the bidder can furnish the articles or perform the work covered by said item at cost or with substantially the same percentage of profit as he estimates to receive on the Contract as a whole.
- J. If “goods” are the subject matter of this contract they must be as specified in the contract documents and include the article(s) to be furnished, together with any labor, service, or other work necessary for satisfactory performance. Goods must be marked and packaged in accordance with U. S. Standard Measurements and nomenclature using the English language.
- K. If “services” are the subject matter of this contract they must be provided as specified in the contract documents and include the services to be furnished, together with any labor, material, or other work necessary for satisfactory performance.
- L. Pricing: All bid prices must be firm for the contract term, i. e., no price adjustments are allowed unless expressly permitted by the Bid Requirements.
- M. All bid prices are deemed to be F.O. B. Destination and shall include, without limitation, all delivery charges, demurrage, insurance, packaging, and any other expenses incidental to providing the goods or services specified.
- N. Taxes: The Tax Law exempts New York State governmental entities such as the City of Yonkers, from payment of New York State sales and use taxes on purchases. In order to make tax exempt purchases, a New York State governmental entity must present vendors with the entity’s official purchase order, contract, or other documentation which indicates that the purchaser is a New York State governmental entity. Tax exemption numbers are not issued to New York State governmental entities.
- O. Discounts: Payment will be made within 30 to 60 days of receipt of a proper invoice. Bidders may offer a cash discount for prompt payment. However, such discounts will not be taken into consideration in determining the low bidder.
- P. Item Award: Except as otherwise expressly indicated in the Bid Schedule of Prices, the contract(s) will be awarded on an “item” basis, i. e., a separate award will be made to the lowest responsive and responsible bidder for each item set forth on the Bid Schedule of Prices. The Bidder may bid on one or more or all items. A bidder will be considered only for the item(s) for which it has set forth a price on the Bid Schedule of Prices. Where the Bid Schedule of Prices calls for a single lump sum price, this will be considered as an item award.
- Q. Class Award: If indicated on the Bid Schedule of Prices as a class award then this contract will be awarded on a “class” basis, i. e., a single award will be made to the lowest responsive and responsible bidders based on the total aggregate price for all items set forth on the Bid Schedule of Prices. Where the Bid Schedule of Prices sets forth more than one class of items, the Bidder may bid on one or more or all of such classes, but the bidder must bid on each item within a given class. A bidder desiring to bid “no charge” on an item in a class must indicate this

clearly. A submitted Bid Schedule of Prices not setting forth the Bidder's price for each item or "no charge" within a class may be deemed incomplete and be subject to rejection for that class.

- R. Provisions for other Agencies: Unless otherwise stipulated by the bidder, the bidder agrees when submitting their bid that they will make available to all City agencies and departments and the City School District the bid prices they submit in accordance with the bid terms and conditions, should any said department or agency wish to purchase under the resultant contract. In addition, pursuant to GML Section 103 subdivision 16, all political subdivisions in New York State may, provided all requirements have been met, "piggy-back" off resulting contracts of another political subdivision. Regardless of the foregoing, it is acknowledged and agreed that the City of Yonkers is not responsible for any debts incurred by any other political subdivisions purchasing off the resultant contract.
 - S. Quantities are Approximate: Where quantities specified in the Bid Schedule of Prices are identified as "estimated", the Bidder understands that such quantities are not in any way guaranteed or represented as correct or intended to be relied upon and shall not be taken as final and shall form no basis for any claims for damages including, but not limited to anticipated profits in case they do not correspond with the final quantities actually ordered and that the City reserves the right to increase or to diminish or to omit entirely any of the quantities or items therein stated in the Bid Schedule of Prices.
 - T. Addenda: **Bidders must attach copies of each addendum issued or otherwise acknowledge receipt of each addendum.** An addendum which changes any part of the Bid Schedule of Prices **must be attached or the change clearly incorporated into the Bid Schedule of Prices.** The City in its sole and absolute discretion, may treat a failure to annex or acknowledge receipt of addenda or to any part of the Bid as a minor informality where addenda or portion of the Bid, as the case may be, is determined by the City not to be substantive in nature.
- VI. Catalogs: Each bidder must submit in duplicate where necessary or when requested by the Bureau of Purchasing, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, finishes and the like necessary to fully describe the material or work the bidder proposes to furnish.
- VII. Trade Names: In cases where an item is identified by a manufacturer's name, model number, part number, trade name, catalog number or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

The reference to a name brand is intended to be descriptive but not restrictive, except where standardization has occurred, and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of their bid exactly what they propose to furnish, and forwards with their bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by their bid.

The City hereby reserves the right to approve as an equal, or to reject as not being equal, any article the bidder proposes to furnish which contains major or significant variations from specification requirements but may comply substantially therewith.

If no particular brand, model, or make is specified, and if no data are required to be submitted with the bid, the successful bidder after the award and before manufacture or shipment may be required to submit working drawings or detailed descriptive data sufficient to enable the City to judge if each requirement of the specifications is being complied with.

- VIII. Formal Specifications: The bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional errors or omission, but shall fully complete every part as the true intent and meaning of the specifications, and drawings. Whenever herein mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A. S. T. M. standards, or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of these specifications.

All deviations from the specifications should be noted in detail by the bidder, in writing, at the time of submittal of the formal bid. The absence of a written list of specification deviations at the time of submittal of the bid will cause the bidder to be strictly accountable to the City to the specifications as written. Any deviation from the specifications as written not previously submitted, as required by the above, will be grounds for rejection of the material and/or equipment when delivered.

- IX. New Goods / Fresh Stock: Unless otherwise specifically stated in the Bid Requirements, all goods delivered against the resulting contract shall be new and unused, fresh stock, latest model, design or pack.

- X. Determination of Bidder Responsibility; Vendor Background Questionnaire:

- A. Bidders are obligated to submit a complete, truthful, and accurate Vendor Background Questionnaire with this bid. **Failure to comply with the foregoing can result in the disqualification of the bid.**
- B. In addition, prior to the award of a contract, the City will conduct such investigations, as the City deems necessary to determine the responsibility of any Bidder and/or to determine the ability of any Bidder to perform the Work. All apparent low bidders are subject at the time of bid to a financial analysis.

The City may require the Bidder to submit one or more of the following:

1. Further detailed breakdown of its Bid Amount in a format and level of detail acceptable to the City.
2. The names and resumes of key personnel the bidder intends to assign to the work if awarded a contract.
3. The portions of the Work that the bidder intends to subcontract by trade and estimated dollar amount of each.

4. A list of contracts, award dates, award amounts, and Owner contact persons for projects the Bidder has recently been awarded or is currently working on.
- C. Delinquent contractors shall not be deemed responsible for purposes of awarding a contract. It is the policy of the City of Yonkers to disqualify persons or business entities which are delinquent in financial obligations to the City or its affiliated agencies, boards, or commissions from participating in City contracts and business opportunities.
- D. The City reserves the right to reject any bid if the information required by the City is not submitted as required or if the information submitted fails to satisfy the City that the Bidder is responsible, or is able or qualified to carry out the obligations of the Contract, or to complete the Work as contemplated.

XI. Required Bonds: Applicable Not Applicable

- A. BID SECURITY. The bidder is required to submit bid security in the amount of _____ **percent of the total amount bid.** All Bid Bonds received in connection with this bid will be returned to the Bidders, except the three lowest Bidders, within five days after the formal opening of bids; and the remaining Bid Bonds, except for the lowest responsible bidder, will be returned to the other bidders, after the Board of Contract and Supply has awarded the Contract.
- B. PERFORMANCE SECURITY. The bidder is required to submit performance security in the amount _____ **percent of the total amount bid.** The performance security shall be delivered by the Contractor to the City within ten (10) business days after the receipt of a Notice of Award. If a Contractor fails to deliver the required performance security, the award shall be rescinded, its bid security shall be enforced and award of the Contract may be made to the next lowest responsible bidder or the Contract may be rebid.
- C. PAYMENT SECURITY. Payment security is required in the amount of _____ **percent of the total amount bid.** The payment security shall be delivered by the Contractor to the City within ten (10) business days after the receipt of a Notice of Award. If a Contractor fails to deliver the required payment security, the award shall be rescinded, its bid security shall be enforced and award of the Contract may be made to the next lowest responsible bidder or the Contract may be rebid.
- D. ACCEPTABLE SECURITY. Acceptable security for bids, performance and payment shall be limited to:
 1. a bond in a form satisfactory to the City
 2. a bank certified check or money order.
- E. Attorneys in fact who sign said bonds on behalf of a surety must affix to each bond a certified copy of their power of appointment, indicating the effective period.

- F. **All bonds must be submitted on the exact form provided in the bid and contract documents. Note: AIA bond forms are not acceptable.**

XII. Award of Contract, Rejection of Bids:

- A. SUBJECT TO THE CITY'S RIGHT TO REJECT ANY AND ALL BIDS, THE AWARD OF THE CONTRACT SHALL BE MADE TO THE LOWEST RESPONSIVE AND RESPONSIBLE BIDDER.

- B. The City may reject all bids and may elect to resolicit bids if in its sole opinion it shall deem it in its best interest to do so.

- C. Rejection of all bids and negotiations with responsible bidders:

1. The City may determine that it is appropriate to cancel the selection process after bid opening and before award and to complete the acquisition by negotiation. This determination shall be based on one of the following reasons:

- (a) All otherwise acceptable bids received are at unreasonable prices, or only one bid is received and the City cannot determine the reasonableness of the bid price, or no responsible bid has been received from a responsible bidder; or

- (b) In the judgment of the City the bids were not independently arrived at in open competition, were collusive, or were submitted in bad faith.

2. When the City has determined that the Request for Bids is to be cancelled and that use of negotiation is appropriate to complete the acquisition, the City may negotiate and award the Contract without issuing a new solicitation subject to the following conditions:

- (a) prior notice of the intention to negotiate and a reasonable opportunity to negotiate have been given by the City to each responsible bidder that submitted a timely bid;

- (b) the negotiated price is the lowest negotiated price offered by any responsible bidder; and

- (c) the negotiated price is lower than the lowest rejected bid price of a responsible bidder that submitted a timely bid.

- D. Tie Bids.

When two or more low responsible bidders are identical in price, the City will break the tie by giving priority first to a City of Yonkers bidder, second to a County of Westchester, New York bidder, and third to a State of New York bidder. If after such preferences are given a tie still remains, the award shall be made by a drawing by lot. The bidders involved shall be invited to attend the drawing.

E. Notice of Bid Acceptance.

A written Notice of Bid Acceptance / Contract Award or Purchase Order mailed (or otherwise furnished) to the successful Bidder within the time for acceptance specified in the Request for Bids shall be deemed to result in a binding contract without further action by either party.

XIII Audit by the Inspector General:

A. Any Vendor who believes that there has been unfairness, favoritism, or impropriety in the bid process should inform the Inspector General of the City of Yonkers, Yonkers City Hall, Yonkers, New York 10701, telephone number (914) 377-6107.

B. The Inspector General may, in his or her discretion, audit the bid process or otherwise investigate any allegations of wrongdoing and, if deemed necessary, issue a report on his or her findings to the Board of Contract and Supply.

XIV Authority to Do Business in New York

Any corporation not incorporated under the Laws of New York State must furnish a copy of its Certificate of Authority from the New York State Secretary of State to do business in the State of New York, in accordance with Article 13 of the New York State Business Corporation Law. Notwithstanding the foregoing, it is understood that the City operates on a fiscal year basis that begins on July 1st and ends on June 30th of each year. The City shall not be considered to be in default under this Contract if any payments are due after the beginning of a fiscal year when the City's budget has not been approved for that fiscal year unless the non-payment continues after 31 October in any year.

SIXTH: The parties recognize and acknowledge that the obligations of the City under this Contract are subject to annual appropriations by its budget pursuant to the Laws of the City of Yonkers. Therefore, this Contract shall be deemed executory only to the extent of the monies appropriated and available. The City shall have no liability under this Contract beyond funds appropriated and available for payment pursuant to this Contract. The parties understand and intend that the obligation of the City hereunder shall constitute a current expense of the City and shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the City, nor shall anything contained in this Contract constitute a pledge of the general tax revenues, funds or moneys of the City. The City shall pay amounts due under this Contract exclusively from legally available funds appropriated for this purpose. The City shall retain the right, upon the occurrence of the adoption of any City Budget by its City Council during the term of this Contract or any amendments thereto, and for a reasonable period of time after such

adoption(s), to conduct an analysis of the impacts of any such City Budget on City finances. After such analysis, the City shall retain the right to either terminate this Contract or to renegotiate the amounts and rates set forth herein. If the City subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Contract upon reasonable prior written notice.

After such analysis, the City shall retain the right to either terminate this Contract or to renegotiate the amounts and rates approved herein. If the City subsequently offers to pay a reduced amount to the Contractor, then the Contractor shall have the right to terminate this Contract upon reasonable prior written notice.

SEVENTH: If the Contractor's Work is delayed by an act of the City or by another contractor employed by the City or by changes ordered by the City in the Work, or by labor disputes, fires, or other causes beyond the Contractor's control, or by delay authorized by the City, then the Contract time shall be extended by Change Order or Amendment for such reasonable time as the City may determine.

EIGHTH: Failure of a contractor to deliver within the time specified, or within reasonable time as interpreted by the Director of Purchasing, or failure to make replacements of rejected articles when so requested, immediately or as directed by the Director of Purchasing, shall constitute authority for the Director of Purchasing to purchase in the open market articles of comparable grade to replace the articles rejected or not delivered. On all such purchases, the Contractor shall reimburse the City within a reasonable time specified by the Director of Purchasing, for any expense incurred in excess of contract prices or the City shall have the right to deduct such amount from monies owed to the defaulting Contractor. Such purchases shall be deducted from contract qualities. Should public necessity demand it, the City reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Director of Purchasing.

Upon failures to do so within ten (10) days after date of notification, the City may return the rejected materials or supplies to the Contractor at their risk and expense, or dispose of them as its own property.

TWELFTH: Inspection and acceptance of materials or supplies will be made after delivery. Final inspection shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the City for such materials or supplies as are not in accordance with the specifications. All delivered goods shall be accepted subject to inspection and physical count.

THIRTEENTH: Deliveries will be accepted between 9:00 A.M. and 3:00 P.M. on weekdays only, exclusive of holidays, unless otherwise stated herein.

In such event, the Contractor shall be compensated and the City shall be liable only for payment for services already rendered under this Contract prior to the effective date of termination at the rates specified in Schedule "B". Upon receipt of notice that the City is terminating this Contract in its best interests, the Contractor shall stop work immediately and incur no further costs in furtherance of this Contract without the express approval of the Corporation Counsel, and the Contractor shall direct any approved subcontractors to do the same.

The City may, however, upon determining that Contractor's performance hereunder will endanger the public health or safety, terminate the contract immediately. Notwithstanding the above, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Contract by the Contractor and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the exact amount of damages due the City from the Contractor is determined.

In the event of a dispute as to the value of the Work rendered by the Contractor prior to the date of termination, it is understood and agreed that the Corporation Counsel shall determine the value of such Work rendered by the Contractor. The Contractor shall accept such reasonable and good faith determination as final.

(b) In the event the City determines that there has been a material breach by the Contractor of any of the terms of the Contract and such breach remains uncured for forty-eight (48) hours after service on the Contractor of written notice thereof, the City, in addition to any other right or remedy it might have, may terminate this Contract and the City shall have the right, power and authority to complete the Work provided for in this Contract, or contract for its completion, and any additional expense or cost of such completion shall be charged to and paid by the Contractor. Without limiting the foregoing, upon written notice to the Contractor, repeated breaches by the Contractor of duties or obligations under this Contract shall be deemed a material breach of this Contract justifying termination for cause hereunder without requirement for further opportunity to cure.

If such a claim is made, or appears likely to be made, the Contractor agrees to enable the City’s continued use of the deliverable, or to modify or replace it. If the City determines that none of these alternatives is reasonably available, the deliverable will be returned.

DESIGN & CONSTRUCTION

Design: Three-layer glove – with leather shell, moisture barrier insert, and thermal lining throughout. Also, for additional heat protection, a fourth layer has been added between the shell and moisture barrier layers on the back of the thumb and back of the hand from the finger crotches to the wrist seam. Glove is designed for increased dexterity and added comfort, and is cut on an enhanced gunn pattern, with a keystone thumb and three-piece four-finger back. Each layer is individually graded per size. The gauntlet interface design enables full moisture barrier and thermal liner protection from the fingertips to the hem seam at the wrist edge.

Construction: Entire glove utilizes 2-thread lockstitch construction, minimum of 7 stitches per inch, with the following exception – the palm and back wrist elastic seams are sewn flat with a 2-thread lockstitch zig-zag pattern. All seams not secured in other seams or crossed by another row of stitching shall be securely backstitched. The thermal liner shall be permanently attached inside the moisture barrier insert at each of the five fingertips, by proprietary means, to prevent liner pullouts. The moisture barrier insert/thermal lining sub-assembly shall then be attached inside the shell at the five fingertips, by proprietary means, to prevent insert/liner pullouts. During the manufacturing process, the moisture barrier insert and thermal liner layers are laminated together, by proprietary means, for purposes of interlayer slippage reduction and supplemental liner retention. The moisture barrier and thermal liner layers are stitched together around the wrist opening, with labels and hanger loop inserted in the seam, and the leather shell is turned back over the layers to finish the wrist opening with a hemmed edge.

INSPECTION

Each glove is leak-tested, to ensure whole glove liquid integrity. Excess threads are trimmed, seams and workmanship are inspected, and overall appearance checked. Left and right hand gloves are paired together, and a user information guide is attached to one glove of each pair. One pair of gloves are packaged per sealed poly bag.

SCHEDULE "G"
NON-COLLUSIVE BIDDING CERTIFICATION

1. By submission of this bid, the undersigned bidder and each person signing on behalf of such bidder certifies and in the case of a joint bid each party thereto certifies as to its own organization — UNDER PENALTY OF PERJURY, that to the best of the undersigned's knowledge and belief:
 - (a) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
 - (b) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and
 - (c) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
2. The undersigned acknowledges and agrees that a bid shall not be considered for award nor shall any award be made where any of the above have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefor. Where one or more of the above has/have not been complied with, the bid shall not be considered for award nor shall any award be made unless the political subdivision, public department, agency or official thereof to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.
3. The undersigned also acknowledges and agrees that the fact that a bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of paragraph 1 above.
4. The undersigned further acknowledges and agrees that any bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a bidder which is a corporation or a limited liability company for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such bid contains the certification referred to in paragraph 1 of this certificate, shall be deemed to have been authorized by the board of directors of the bidder, and such authorization shall be deemed to include the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation or limited liability company.
