1. The following are the terms and conditions of the purchase order contract of The New York Racing Association, Inc. ("NYRA").
2. Agreement. This Purchase Order ("Order") is NYRA's offer to purchase from Seller the goods and/or services which are described on the face of this Order. By acknowledging receipt of this Order or by shipping the goods or by beginning to perform the services, Seller agrees to the terms and conditions of sale contained in this Order although Seller's agreement to such terms and conditions is not limited to the foregoing methods. Any terms proposed in the Seller's acceptance of this Order which adds to, vary from, or conflict with the terms in this Order, are hereby rejected. Any such proposed terms shall be void and the terms in this Order shall constitute the complete and exclusive statement of the terms and conditions of the contract between the Seller and NYRA. If this Order has been issued by NYRA in response to an offer to sell by Seller and if any of the terms herein are additional to or different from any terms of the Seller's offer, then the issuance of this Order by NYRA shall constitute a counteroffer to Seller's offer subject to Seller assenting to such additional and different terms and acknowledging that this Order constitutes the entire agreement between Seller and NYRA. Seller shall be deemed to have assented to these terms and conditions and acknowledged that this Order constitutes the entire agreement between Seller and NYRA by shipping the goods or beginning to perform the services or unless Seller notifies NYRA to the contrary in writing within five (5) days of receipt of this Order.
3. Prices. This Order must not be filled at a price higher than shown on the face of this Order. Any change to the purchase price or any other term or condition of this Order must be authorized in writing by NYRA. 4. Delivery. Time is of the essence.
5. Risk of Loss. Title and risk of loss in transit shall not pass to NYRA until delivery of the goods to the location designated on the face of this Order and acceptance by NYRA. If NYRA rightfully rejects the goods, receives a non-conforming tender, or revokes its acceptance, the risk of loss and title shall be deemed to have remained with the Seller.
6. Inspection. NYRA's payment for the goods shall not constitute its acceptance of the goods. NYRA shall have the right, but not the obligation, to inspect the goods and to reject any of the goods which are in NYRA's judgment defective. Payment, if any, made for any goods rejected hereunder shall be promptly refunded by Seller.
7. Invoices and Payment. An itemized invoice shall be submitted to the address shown on the face of the order for the attention of the Accounts Payable Department. In order to support rapid processing of invoice for payment, the invoice MUST contain the following information: Date of Invoice, Purchase Order Number, Proof of Delivery of goods and or services, Description of supplies /services furnished, Quantity, Unit prices, and Total prices. Without this information payment of the invoice may be delayed pending the identification of missing information or may be rejected in its entirety. All taxes shall be stated separately. All claims for money due or to become due from NYRA shall be subject to deduction by NYRA for any setoff or counterclaim arising out of this or any other of NYRA's Orders with Seller.
8. Changes. No modification of this Order shall be effective without NYRA's prior written consent.

9. Cancellation. NYRA may cancel this Order or any part thereof if Seller breaches any provision of this Order.
10. Warranty. Seller warrants to NYRA that all goods covered by this Order shall conform to the specifications, drawings, samples, or other descriptions specified by NYRA or if none are specified, to Seller's standard specifications for such goods. The seller also warrants to NYRA that all goods shall be fit and sufficient for the purpose intended, merchantable, of good material and workmanship, and free from defect. All warranties of Seller herein or which are implied by law shall survive any inspection, delivery, acceptance, or payment by NYRA.
11. Insurance: The required coverage limits may be satisfied through a combination of primary and follow-form umbrella policies. All insurance policies must be issued by an admitted insurance carrier with an A.M. Best rating of A-VII or better, authorized to do business in the State of New York. All liability insurance policies must include a separation of insureds provision. The commercial General Liability policy shall include no third-party-over action exclusions or similar endorsements or limitations. Further, coverage for the Additional Insureds shall apply on a primary basis irrespective of any other insurance available to the NYRA Additional Insureds. General conditions applicable to all policies are that (1) no policy shall contain self-insured retention (2) no policy shall contain a deductible in excess of \$25,000 and (3) the Vendor shall be responsible for the satisfaction of all deductibles. All policies shall be endorsed to provide a waiver of subrogation in favor of the NYRA Additional Insureds. The vendor shall provide NYRA with at least 30 days written notice if any required policies are canceled or not renewed. The vendor shall furnish NYRA with certificates of insurance evidencing compliance with all insurance provisions noted above prior to the execution of the agreement. The insurance requirements set forth will in no way modify, reduce, or limit the indemnification herein made by the Vendor. Receipt of a certificate of insurance, endorsement, or policy of insurance which is more restrictive than the contracted for insurance shall not be construed as a waiver or modification of the insurance requirements above or an implied agreement to modify same, nor is any verbal agreement to modify same permissible or binding.
12. Indemnification. Seller shall indemnify and hold NYRA and its affiliates harmless and, upon request, shall defend each of them from and against any or all claims, demands, litigation, or proceedings of whatever kind, whether based upon negligence, breach of an express or implied warranty, strict liability or any other theory, and from and against all direct, indirect, special, exemplary, incidental or consequential damages of every kind whatsoever, arising out of, by reason of, or in any way connected with the goods and/or services, the design, manner of preparation, manufacture, construction, completion, or delivery or non-delivery of any goods and/or services by Seller, any breach by Seller of any of its obligations hereunder, or any other act, omission or negligence of Seller or any of Seller's employees, workers, servants, agents, subcontractors or suppliers. Seller shall, upon request, pay or reimburse NYRA or any other party entitled to indemnification hereunder for all costs and expenses, including attorneys' fees, as incurred by NYRA or such other party in connection with any such claim, demand, litigation, proceeding, loss or damage. NYRA's aggregate liability arising from or relating to this order is limited to the amount paid by NYRA for the goods and/or services. To the maximum extent allowable under applicable law, NYRA shall not be liable under this order for any special, incidental,

consequential, indirect, or punitive damages including, without limitation, lost profits or revenues even if NYRA has been advised of the possibility of such damages.

13. Confidentiality. All specifications, documents, and prototype goods delivered by NYRA to Seller are the property of NYRA. They are delivered solely for the purpose of Seller's performance of this Order and on the express condition that the information contained therein shall not be disclosed to others nor used for any purpose other than in connection with this Order except with NYRA's prior written consent.
14. Force Majeure. NYRA may delay delivery and/or acceptance occasioned by causes beyond its control.
15. Remedies. Each of the rights and remedies reserved to NYRA in this Order shall be cumulative and additional to any other remedies provided in law or equity. No delay or failure by NYRA in the exercise of any right or remedy shall affect any such right or remedy and no action taken or omitted by NYRA shall be deemed to be a waiver of any such right or remedy.
16. Assignment. This Order may not be assigned by Seller except with NYRA's prior written approval.
17. Notices. All notices to NYRA shall be sent to NYRA at 110-00 Rockaway Boulevard, Jamaica, NY 11417, to the attention of Purchasing, and to Seller at its address as set forth in this Order, or at such other address as either party may designate in writing to the other party.

22. Survival. In addition to those terms that by their nature survive the expiration or termination of this Order, the provisions of Sections 10, 11, 12, 19, and 21 shall survive the expiration or termination of this Order for any reason. The seller acknowledges that any breach of the terms, conditions, or covenants set forth in Section 14 may cause irreparable damage to NYRA and that a recovery of damages at law would not be an adequate remedy.
23. Prevailing Wage and Hours Provisions: If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Seller's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Additionally, if this is a public work contract covered by Article 8 of the Labor Law, the Seller understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by NYRA of any sums due and owing under this Agreement.
