

RFQ27007044
Garrison Uniform Dress Belts
Solicitation Specifications

SECTION A: BACKGROUND

The Department of Corrections (DOC) has approximately 1,000 staff working in secure facilities. The DOC will typically hold two (2) Correctional Officer Recruit training classes per year with an average participation of 35. The items requested in this solicitation will be issued to Correctional Officers and candidates of the training academy. The items are issued on an as needed basis due to "Codes" and other routine damage and wear.

SECTION B: SCOPE OF WORK AND REQUIREMENTS

The DOC is seeking quotes from qualified vendors to provide Garrison Uniform Dress Belts for its Correctional Officers.

The DOC estimates a yearly purchase of 800 belts. The belts are to keep adequate inventory levels and to meet current and future demands of the DOC.

No substitutions of model or style will be accepted.

Material: Top Grain, heavy weight tanned leather with smooth finish. Must be fully leather lined.

Style: Garrison style 1 ¾" wide. Belt also must include removable tongue style chrome finish square metal buckle secured with three ½" snaps (two placed after buckle and one snap after the keeper). Belt must be postal certified and stamped inside with postal certification # PE 1-4197. Style 2905.

Color: Black.

Sizing: Each belt must be stamped with the appropriate size.

SECTION C: ATTACHMENT(S)

Please attach item specifications to the bid proposal. Items in catalogs must be clearly marked and pages tabbed.
