STANDARD BID TERMS AND CONDITIONS
AND SPECIAL INSTRUCTIONS TO BIDDERS

All bid proposals are subject to the following terms and conditions unless modified in writing at the time of bid submission. Upon acceptance of a bid by the Town the terms of the bid shall apply to all orders issued as a result of such acceptance. Each bid received shall be considered an offer to the Town and upon acceptance shall constitute a lawful contract between the bidder and the Town.

Proposals properly completed and executed on the forms provided by the Town for that purpose may be delivered in person by the bidder or his agent or may be mailed to the office of the Director of Purchasing. The Director of Purchasing or her designee must receive all bid proposals, ***without exception***, at or before the time specified for the bid proposal being opened and read aloud in the Notice to Bidders. All proposals must be submitted in ink or may be typed.

It is the bidder's responsibility to ensure that their bid is received by the Purchasing Department in a timely manner. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. Whether it is mailed utilizing the U.S. Postal Service or any other mail carrier or if by personal delivery, the bidder assumes responsibility for having his bid deposited on time and time stamped at the place specified. The bidder assumes the risk of any delay in the mail, including holidays and possible building closures, delays upon entering the building at security, or in the handling of the mail by employees of the Town.

1. BIDDING

(a) PRICING - Bidders shall insert unit price and extension for each item.

(b) DISCOUNTS - cash discounts will not be a factor in determining awards unless otherwise indicated by the Town. Trade discounts will be a factor in determining the award.

(c) F.O.B. DELIVERY POINT - All prices bid must be on the basis F.O.B. delivery point, unloaded inside and assembled unless otherwise indicated in the proposal. A bid on any other basis than that indicated in the proposal may not be considered.

(d) "OR EQUAL' BIDDING - When a brand-named bid standard is specified, the bidder may offer an article which he certifies to be equal in quality, performance and other essential characteristics to the bid standard. If bidder fails to name a substitute, he will be required to furnish the named bid standard. In the event of any claim by any unsuccessful bidder concerning or relating to the issue of "equal or better" or "or equal", the successful bidder agrees to, at his own expense, defend such claim or claims and agrees to hold the Town free and harmless from any and all claims for loss or damage arising out of this transaction for any reason whatsoever.

(e) QUANTITIES and MINIMUMS - If any quantities are indicated, they are merely estimates based on experience or computation. The Town will neither be compelled to order any quantities of any item nor will it be limited by the quantity indicated for any item. The quantity to be ordered will be such as may actually be required, as determined by the ordering department and therefore; **in the best interests of the Town, no award will be made to any bidder for any item contained in this bid if the bidder imposes *a minimum order quantity or minimum dollar* amount as part of their response to any part of this bid.** The Town of Huntington is not responsible for estimating quantiles for any agencies other than the municipality of the Town of Huntington.

2 - <u>SAMPLES</u>

Samples or drawings required shall be delivered free of charge as requested. Samples shall be removed by the bidder at his expense. The Town will not be responsible for any samples which are destroyed or mutilated in examination. If samples are not removed within thirty (30) days after written notice to the Vendor, they shall be considered as abandoned and the Town shall have the right to dispose of them as its own property.

3 - <u>AWARD WILL BE MADE BY ITEM OR CLASS</u>

When Class bids are indicated, bidder must bid on each item in the class. A Bidder desiring to bid "no charge" on an item in a class must so indicate; otherwise bid for that class will be construed as incomplete. Items may be combined and awarded as a group if there is a saving in ultimate cost by the reduction of the number of orders issued.

4 - <u>DELIVERY</u>

(a) INSPECTIONS - Shall be made at the point of delivery unless otherwise specified. Any food, drug or other commodity which is found to be unwholesome or otherwise unfit for human consumption or use shall not be removed by the Vendor until it is examined by the Department of Health. If condemned, such commodities shall be disposed of as provided by law.

(b) DELIVERY HOURS - Deliveries shall be made between 9 A.M. and 3:30 P.M., Monday through Friday and at other times by special arrangements only.

(c) DELIVERY TIME - Shall be computed in calendar days from the order date.

(d) LABELS - All supplies, which are customarily labeled or identified, must have securely affixed thereto the original unaltered label or marking of the manufacturer.

(e) NEW MERCHANDISE - Unless otherwise stated in the quotation or orders, deliveries must consist of only new and unused merchandise, which is currently in production.

(f) SUPPLIES shall be securely and properly packed for shipment, according to accepted commercial practice.

(g) THE CONTRACTOR shall be responsible for delivery of supplies, equipment or materials in good condition to point of destination. Materials, equipment and/or supplies delivered to and agency shall be the property and sole responsibility of the Contractor or Vendor until such time as the Town accepts the same.

(h) BILLINGS for deliveries must be rendered on Town Claim vouchers with appropriate invoices and billing documents attached.

5 - DELAYS, NO-DELIVERY, REJECTIONS

(a) VENDOR'S FAULT - If the Vendor fails to make delivery within the time specified or if the delivery is rejected, the Director of Purchasing may obtain such commodities or any part thereof from other sources in the open market or on contract. Should the new price be greater than the order price, the difference, plus the reletting cost and the liquidated damages, if any will be charged against the Vendor. Should the new price be less, the Vendor shall have no claim to the difference, but the reletting cost and the liquidated damages will become charges against the Vendor.

(b) REJECTED MERCHANDISE - The Town may withhold acceptance of or reject any goods, which are found, upon examination, not to meet the specified requirements. Upon written notification of rejection, goods shall be immediately removed by the Vendor.

Rejected goods left longer than thirty (30) days will be regarded as abandoned and the Town shall have the right to dispose of them as its own property. On foodstuffs and drugs, no written notice of rejection need be given; upon verbal notice to do so, the Vendor shall immediately remove and replace rejected merchandise.

6 - AWARD

(a) The Director of Purchasing reserves the right to make awards within forty-five (45) days after the date of the bid opening, during which period bids shall not be withdrawn. This period may be extended, for the benefit of the Town by mutual agreement between the bidder and the Director of Purchasing.

(b) The placing of an order by the Director of Purchasing with the bidder for material described in the Request of Bid shall constitute a legal and binding contract. A notice of award will be issued to the successful responsive responsible vendor(s). No orders are to be placed or deliveries and services scheduled until you are issued a signed Purchase Order from the Town. The Town will not be responsible for materials and services provided without a Purchase Order number.

(c) Any contract created shall be deemed executory only to the extent of the monies appropriated and available for the purpose of the contract. No liability on account thereof shall be incurred by the Town beyond the amount of such monies. It is understood that neither this contract nor any representations by any public employee or officer creates any legal or moral obligation to request, appropriate or make available monies for the purpose of this contract.

(d) The Town reserves the right to award future contracts/purchase orders to the next low bidder in the event of default or cancellation of a previously awarded contract/purchase order.

7 - PERFORMANCE BONDS

If the specifications require the posting of a performance bond, then within one week after awarding of the contract a performance bond of 100% of the amount of the award, unless an alternate amount is otherwise specified, shall be posted as security for faithful performance, with the understanding that the whole or any part thereof may be used by the Town of Huntington to supply any deficiency that may arise from any default on the part of the bidder. Such Bond must meet all the requirements of the Bid Specifications and the Town Attorney.

8 - <u>GUARANTEES BY BIDDER</u>

Bidder hereby guarantees:**(a)** To save the Town, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or non-copyrighted composition secret process, patented or unpatented invention, article or appliance furnished or used in the performance hereof of which the Bidder is not the Patentee, assignee or licensee and to defend any action brought against the Town in the name of the Town and under the direction of the Town Attorney at the sole cost of the Bidder or in the sole option of the Director of Purchasing to pay the cost of such defense to the Town.

(b) His/her products against defective material or workmanship and to repair or replace any damages or marring occasioned in transit.

(c) To furnish adequate protection from damage for all work to repair damages of any kind, for which the Vendor's workmen are responsible, to the building or equipment, to his/her own work or the work of other Vendors or in the opinion of the Director of Purchasing to pay for the same by deductions in payments due under this contract.

(d) To pay for all permits, licenses and fees and give all notices and comply with all laws, ordinances, rules and regulations of the Town and of the County of Suffolk and the State of New York.

(e) <u>INSURANCE</u> - To maintain Workers Compensation and Disability Benefits Insurance during the life of the contract. The Contractor further agrees to conform to all of the requirements of the New York State Workers Compensation Law.

During the life of the contract, the Contractor shall secure and maintain bodily injury and property damage liability insurance. This insurance must be Occurrence coverage; policies in the Claims Made format are not acceptable. The limits of liability insurance shall be **$2,000,000.00** for any one person and **$2,000,000.00** for any one occurrence for bodily injury. Automobile Liability insurance with the same limits shall be maintained by the Contractor on all automotive equipment used in connection with the contract.

Certificates of Insurance reflecting the above coverage shall be provided to the Town prior to commencement of any work by the Contractor. These certificates shall be in the name of the Town and shall further name the Town of Huntington as Additional Insured **by endorsement**. The Contractor/Vendor shall be solely responsible for providing the Town of Huntington with thirty (30) days prior written notice of any cancellation, non-renewal or material change of action with regard to the required insurance coverage. Failure to notify the Town of a change in policy coverage is valid grounds for the Town to void the agreement. The Contractor/Vendor is required to present the Town of Huntington with an updated insurance certificate as part of its invoice backup for payment processing. Failure to do so will result in non- payment and the Town may choose to void the agreement.

(f) That he/she will keep him/herself fully informed, of all municipal ordinances and regulations, State and National Laws in any manner affecting the work or goods herein specified, and any extra work contracted for by him/her and shall at all times observe and comply with said ordinances, laws and regulations, including all provisions of the Workmen's Compensation and Labor Laws. The contractor agrees to defend, indemnify and hold the Town, its officers, agents and employees harmless from any liability and attorneys' fees, imposed upon or incurred by the Town, its officers, agents and/or employees arising from the negligence, gross negligence, recklessness, malpractice, or intentional tort of the contractor.

(g) That the items furnished shall conform to all of the provisions of the bid and this warranty shall survive acceptance, or use of any material so furnished.

(h) That all deliveries will not be inferior to the accepted bid sample.

All required insurance shall be maintained with insurers acceptable to the Town of Huntington and shall be subject only to reasonable and customary deductibles and/or self-insured retentions (SIRs). Any bidder that maintains a self-insured retention must disclose the existence, amount, and terms of such retention with its proposal. The Town expressly reserves the right to disqualify any bidder whose insurance coverage, deductibles, or self-insured retentions are not acceptable to the Town, and further reserves the right to reject any proposal that includes a self-insured retention. No bidder shall be awarded a contract unless all insurance and bonding requirements set forth in the bid proposal are satisfied. This includes, but is not limited to, the requirement that deductibles and/or self-insured retentions not exceed amounts standard within the industry for the type of coverage required, and under no circumstances shall any deductible or self-insured retention exceed the applicable coverage limit. The Proposer/Awardee shall be solely responsible for the payment of all deductibles and self-insured retentions.

9 - ASSIGNABILITY OF CONTRACTS

In the event the Contractor assigned, transfers, conveys, sublets, or otherwise disposes of the contract without written consent of the Town of Huntington, said contract shall be null and void and not binding upon the Town. General Municipal Law 109 is incorporated herein by reference as if fully set forth at length.

10- LIMITATION OF ACTION

No action for any cause whatsoever arising out of this order shall be maintained against the Town by the Vendor, or anyone claiming under the Vendor, unless such action shall be commenced within six months:

(a) After expiration of this order or

(b) After the date of written notice to the Vendor from the Town of complete rejection or withheld acceptance or

(c) After the date of written notice to the Vendor from the Town of a deduction from the agreed price on the order, whichever of the events shall be the latest in time.

11- LABOR LAWS AND DISCRIMINATION IN EMPLOYMENT

All bidders must comply with N.Y.S. Labor Law requirements and specifically without limitation:

(a) Pursuant to Sections 220 (e) and 239 of the Labor Law, in the hiring of employees for the performance of work under this contract or any subcontract hereunder:

(I) No contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall by reason of race, creed, color, national origin, age or sex discriminate against any citizen of the state of New York who is qualified and available to perform work to which the employment relates;

(II) No contractor, subcontractor nor any person on his behalf shall in any manner, discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed, color, national origin, age or sex;

(III) There may be deducted from the amount payable to the contractor by the Town penalty of fifty dollars for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this contract; and

(IV) This contract may be canceled or terminated by the Town and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this section of the contract.

(b) Pursuant to Section 220 (2) of the Labor Law, no laborers, workmen, or mechanics in the employ of the contractor, subcontractor or other person doing or contracting to do all part of the work contemplated by the contract, shall be permitted or required to work more than eight hours in any one calendar day or more than five days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property as provided therein.

(c) For every contract for the construction, reconstruction, maintenance and/or repair of public work, every laborer, workingman or mechanic shall be paid not less than such hourly minimum rate of wage and supplements not less than the prevailing wage supplements, all as provided in Article 8 of the Labor Law.

(d) Preference in Employment of Persons Upon Public Works - Every contractor and/or subcontractor agrees to give preference to citizens of the State of New York who have been residents for at least six consecutive months immediately prior to the commencement of their employment, as provided in Section 22 of the Labor Law.

(e) For every contract involving building service work as defined in Article 9 of the Labor Law, the contractor and/or its subcontractors shall be obligated to pay each employee on such work not less than the wage specified for his craft, trade or occupation in the prevailing schedule wages made part or to be made part of the specifications hereto, and agree to be bound by all of the provisions of Article 9 of the Labor Law.

(f) Bidders currently on the NYS Labor Department debarred list will not be considered for award of this contract. By submitting a bid for consideration, the vendor is indicating to Town of Huntington that they are currently in good standing with the NYS Department of Labor at the time of the bid.

12 . <u>APPRENTICESHIP PARTICIPATION CONSTRUCTION CONTRACTS</u>:

(A) In the event this bid is for work to be performed pursuant to a construction contract, during the entire term of the contract, the winning bidder and its general contractor and subcontractor(s), as applicable (collectively, the "Contractor") must be in compliance with the apprenticeship requirements set forth in New York State Labor Law § 816(b) and Huntington Town Code Section 87-55.1. More specifically, as of the effective date of the construction contract, Contractor shall provide the Town of Huntington:

(i) A list of all trades or classifications of workers it anticipates engaging in connection with the work to be performed under this agreement, given the type and scope of work to be performed (the "Work"), and documentation to show that it has apprenticeship agreements appropriate for said Work which have been registered with, and approved by, the New York State Commissioner of Labor in accordance with Article 23 of the New York Labor Law (each an "Apprenticeship Agreement"); and

(ii) At least one Certificate of Completion from each apprenticeship training program with which Contractor has an Apprenticeship Agreement in place. Contractor must also submit current New York State Department of Labor approved Form AT-401 certificates, or equivalent certificates, demonstrating that pursuant to said Apprenticeship Agreements there is at least one apprentice currently enrolled in each apprenticeship training program. If Contractor is a signatory to a sponsored apprenticeship training program, it must also submit to the Town of Huntington a letter from the sponsor of the apprenticeship training program(s), verifying the Contractor's signatory status as a participating entity approved by the Commissioner of the New York State Department of Labor to employ New York State registered apprentices.

(B) For purposes of request for proposal, a "construction contract" shall mean any contract with a value in excess of $250,000 to which the Town of Huntington is a party or for work to be performed on Town of Huntington-owned property that concerns the design, construction, reconstruction, improvements, rehabilitation, maintenance, repair, furnishing, equipping of or otherwise providing for any building, facility or physical structure of any kind, and a "Certificate of Completion" shall mean a certificate issued by the New York State Department of Labor which recognizes a person's successful completion, within the twelve (12) month period immediately preceding the effective date hereof, of a qualified apprenticeship training program registered and approved by the Commissioner of the New York State Department of Labor in accordance with the New York Labor Law and 12 NYCRR §600, et seq., and any amendments thereto.

13- SALES AND EXCISE TAXES

Unless the proposal indicates otherwise, the Town is exempt from the payment of any sales, excise or Federal transportation taxes and will be so construed. A vendor desiring refunds of, or exemptions from taxes paid on merchandise accepted by the Town, must submit the proper forms, and the Director of Purchasing, if satisfied as to the facts, will approve or issue the necessary certificates.

14- AUDIT

Purchase orders and contracts are subject to audit by the Comptroller of the Town of Huntington.

15- PAYMENT AND COLLECTION OF CHARGES

(a) The Town will make every effort to pay vouchers within thirty (30) days after (1) proper delivery of merchandise; (2) receipt and approval of a properly executed claim voucher submitted to the Town Comptroller by the receiving Town departments or agencies; voucher forms shall be obtained from such departments or agencies.

(b) In any case where a question of nonperformance of a contract arises, payment may be withheld in whole or in part by the Town.

(c) All charges against a Vendor shall be deducted from current obligations that are due him/her or shall become due. In the event that there are no current obligations, the Vendor shall pay the Town the amount of any such charges.

(d) The Town will also avail itself of cash discounts for payments within prescribed times whenever possible.

16- FUEL SURCHARGES

Town of Huntington will not pay any type of fuel surcharge on any item or contract unless specifically indicated as such by the Town in the solicitation or contract. Any fuel charges added and not authorized by the Town will be deleted from any payments made to the vendor.

17-VENUE

This agreement shall be construed in accordance with the laws of the State of New York. The venue for any action/proceeding regarding this matter shall be the Supreme Court of the State of New York, County of Suffolk and/or the United State District Court, Eastern District of New York

18- VENDOR RESPONSIBILITY

Pursuant to *General Municipal Law §103*, this contract will be awarded to the *lowest responsive and responsible bidder*. A *lowest responsible bidder* has been defined as a bidder that is pecuniarily responsible, morally worthy, skilled, and possesses judgment, integrity, and sufficient financial resources; is "accountable or reliable"; and, has the ability to perform the contract. The determination of who is *responsible* as part of the term *lowest responsive and responsible bidder* shall be made in accord with *General Municipal Law §103*, the rules and regulations promulgated pursuant thereto and the body of decisional law interpreting same; and, without limitation to the foregoing, a bidder may not be deemed *responsible* by the municipal agency, if records indicate that there is a:

- Lack of adequate expertise or experience with comparable projects or financial resources to perform the contract;
- Criminal conduct involving government contracts, business activities or environmental laws;
- Grave disregard for the safety of employees, governmental personnel or the public;
- Lack of proper training of personnel;
- Willful noncompliance with prevailing wage and supplement payment laws;
- Significant labor-law violations, including violations of laws regarding child labor, wage payment and unemployment-insurance tax;
- Significant violations of N.Y. Workers Compensation Laws;
- Failure to make good-faith efforts to comply with laws and regulations regarding minority-owned, women-owned, and disadvantaged business subcontractors, where applicable;
- Failure to make good-faith efforts to provide employee apprentice opportunities through registered apprenticeship-training programs, where applicable;
- Mathematically or materially unbalanced bid;
- An unreasonably low bid; i.e. a bid which is so much lower than the agency's estimate of cost that it appears unlikely that the bidder will be able to perform the contract for its bid price;
- False or misleading statement(s) in connection with a bid or request for approval of a subcontractor;
- Record or history of non-performance on prior town contracts; or
- Any other consideration that the municipal agency deems appropriate, given the facts and circumstances of the contract, including without limitation, the bidder's ability to perform the contract within the required time frame. [33 N.Y. Prac., New York Construction Law Manual §2:4 (2d ed.) (May 2016 update); Opinion of NYS Comptroller 90-48]

19- PROTEST POLICY

It is understood that a party who has responded to a bid, request for proposal, or request for statement of qualification issued by the Town of Huntington shall be considered an interested party to the award or failure to award said contract. Such an interested party shall, within five (5) business days following the award of a contract, be permitted to file a written protest to said action (a "Protesting Party", and "Written Protest"), as set forth below.

Upon the Protesting Party's (i) filing a Written Protest and (ii) payment of a Two Hundred & XX/100 ($200) Dollar protest fee by certified check or money order made payable to the "Town of Huntington", with each delivered to the Director of Purchasing of the Town of Huntington (and a copy of said Written Protest delivered to the Town Attorney), the Town of Huntington's Director of Purchasing shall notify the Town Attorney in writing of the foregoing.

Not later than twenty (20) business days following his or her receipt of said written notice from the Director of Purchasing, the Town Attorney shall convene a board of responsibility, which shall be comprised of the following persons, (i) the Town Attorney (or Deputy Town Attorney, as directed by the Town Attorney), (ii) the Director of Purchasing, and (iii) the Department Head involved in the procurement of the contract at issue (or his/her Deputy or designee, as directed by the Department Head) (hereinafter, the "Board of Responsibility"). By written notice delivered pursuant to the contact information provided within the Written Protest, the Town Attorney shall notify the Protesting Party of the date, time and location the Board of Responsibility shall meet to consider the Written Protest (the "Protest Hearing"), which may be adjourned at the Town Attorney's sole discretion.

The Town Attorney (or the Deputy Town Attorney, as applicable) shall act as Chair of the Board of Responsibility. He/she shall conduct the Protest Hearing in an informal manner, as the Town Attorney or Deputy Town Attorney sees fit. In its deliberations, the Board of Responsibility shall investigate the Written Protest by, among other things, taking evidence relevant to it. The Protesting Party may appear at the time and place designated by the Town Attorney for Protest Hearing, with or without counsel, and he/she/it may testify and/or submit evidence to the Board of Responsibility in support of his/her/its protest. Additionally, the Protesting Party may invite other persons who may have knowledge of the facts and circumstances surrounding the Written Protest, to attend and give evidence. The Town Attorney may call additional parties who shall have knowledge or expertise with respect to the matters at issue, to attend the Protest Hearing.

The Board of Responsibility shall render a decision on the merits of the Written Protest, with a copy thereof delivered to the Protesting Party not more than twenty (20) business days following the date (and closing) of the Protest Hearing. The Protesting Party may request a copy of any transcript made of the Protest Hearing, which if provided shall be furnished at the Protesting Party's sole cost and expense.

20- FORCE MAJEURE

Unless otherwise expressly provided herein, no Party hereto shall be deemed to be in default of this Agreement (including any modification hereto) due to a delay by it in the satisfaction of an obligation to be performed hereunder, provided said delay can be reasonably shown to have resulted, directly or indirectly, from circumstances beyond its control (and not from its own negligence or willful misconduct), including, without limitation, strikes; work stoppages; power or other mechanical failure; computer virus and/or computer failure; accidents; epidemics, pandemics, endemics or outbreaks; natural disaster; acts of war, terrorism or sabotage; civil or military disturbances; government action; or acts of God (an "Excused Delay"). In the event of an Excused Delay, the time to satisfy said obligation shall be extended for a period equal to the time lost by reason of said delay. Moreover, if the Excused Delay causes the purpose underlying the obligation to be completely frustrated, then the obligation itself shall be excused and its performance requirement cancelled, without recourse or damages. The aforementioned notwithstanding, a Party claiming the benefit of this provision shall, as soon as is reasonably practicable following when such a delay can be anticipated, (a) provide written notice to the other Party of (i) the nature and anticipated duration of the Excused Delay and (ii) the specific cause for said Excused Delay, and (b) if practicable, shall commence using commercially reasonable efforts to resume performance under this Agreement, and to mitigate any damages caused by the Excused Delay

.

21- COVID-19

Unless otherwise expressly provided herein, no Party hereto shall be deemed to be in default of this Agreement (including any modification hereto) due to a delay by it in the satisfaction of an obligation to be performed hereunder, provided said delay can be reasonably shown to have resulted, directly or indirectly, from circumstances caused by the COVID 19 pandemic and related factors (an "Excused Delay"). In the event of an Excused Delay, the time to satisfy said obligation shall be extended for a period equal to the time lost by reason of said delay. Moreover, if the Excused Delay causes the purpose underlying the obligation to be completely frustrated, then the obligation itself shall be excused and its performance requirement cancelled, without recourse or damages. The aforementioned notwithstanding, a Party claiming the benefit of this provision shall, as soon as is reasonably practicable following when such a delay can be anticipated, (a) provide written notice to the other Party of (i) the nature and anticipated duration of the Excused Delay and (ii) the specific cause for said Excused Delay, and (b) if practicable, shall commence using commercially reasonable efforts to resume performance under this Agreement, and to mitigate any damages caused by the Excused Delay.

IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), §165-a. effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL §165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By entering into this Contract, Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list. Additionally, Contractor agrees that after the list is posted on the OGS website, should it seek to renew or extend the Contract, it will be required to certify at the time the Contract is renewed or extended that it is not included on the prohibited entities list. Contractor also agrees that any proposed Assignee of the Contract will be required to certify that it is not on the prohibited entities list before The Town of Huntington (Town) may approve a request for Assignment of Contract.

During the term of the Contract, should Town receive information that a person is in violation of the above referenced certification, the Town will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, the Town shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the contractor in default.

The Town reserves the right to reject any request for assignment for an entity that appears on the prohibited entity list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

CONTRACTS INVOLVING INSTALLATION

1. Contractor shall clean up and remove all debris and rubbish resulting from his work from time to time as required or directed. Upon completion of the work premises shall be left in a neat unobstructed condition, the buildings broom clean, and everything in satisfactory repair and order.
2. Installation shall also include the furnishing of any rigging necessary to move equipment into the building; also the removal and resetting of any removable windows used for moving equipment into building and removal of any trade-ins, if any.
3. Bidders shall acquaint themselves with conditions to be found at the site and shall assume all responsibility for placing and installing equipment in the locations required.
4. Contractor shall furnish adequate protection from damage for all work and shall repair damages of any kind for which the Contractor or his/her works are responsible.

VEHICLES

5. All equipment bid must be in production and have had in use experience. Any and all equipment listed by the Manufacturer as "Standard" for the model offered shall be provided on the delivered vehicle.
6. The Manufacturer's Standard Warranty shall cover all equipment delivered.
7. Vehicles shall be completely serviced including cleaning (outside and inside) prior to delivery.
8. Award will not be made to any dealer who cannot provide warranty repairs and services within the County of Suffolk.

Vendor not having a place of business in the County of Suffolk shall provide in writing the name and location of the agency within the County of Suffolk where such services will be performed.

9. **No name other than the Manufacturer's shall appear on the Vehicle**.
10. Any deviations from these Specifications will be considered cause for disqualification unless fully explained in the bid. Acceptance of such deviations shall be within the discretion of the Director of Purchasing.
11. Bids will be considered only from Equipment or Vehicle Manufacturers or their Authorized Dealers.
12. All vehicles shall be painted the color as specified. All paint shall be factory applied at the time of vehicle manufacture. ***Dealer painted vehicles will not be accepted.***

PRE-DELIVERY INSPECTION

13. There will be Pre-delivery Inspection of Vehicles including Automobiles, Boats and Motors, Trucks, Motorized Industrial Equipment of any kind including Dozers, Payloaders, Graders, Snow Moving, Waste Handling Equipment, Beach and Lawn Maintenance Equipment and any classifications of Earth and Material moving and/or handling equipment sold to the Town of Huntington.

(a) The Manufacturer or his Authorized Dealer, whichever is the vendor of record to the Town of Huntington for the equipment, must notify the Director of Purchasing of the Town by Certified Mail prior to delivery, informing him when the equipment or vehicle is ready for delivery to the Town of Huntington.

(b) The Manufacturer or Dealer shall make the vehicle or equipment comply with all required Bid Specifications, as ordered by the Town of Huntington.

(c) All accessories and additions which have been ordered and are to be part of the vehicle are to be affixed and operable prior to inspection. All documentation including but not limited to warranties, guarantees, instruction manuals, certificates of inspection and certificates of compliance shall be available for inspection along with the vehicle or equipment.

(d) The Vendor shall, prior to delivery to the Town, make the vehicle or equipment available for inspection by Town of Huntington. The Director of Purchasing shall at his sole discretion designate a Town facility as a Pre-delivery Inspection location.

(e) Upon satisfactory completion of Pre-delivery Inspection a certificate of acceptance will be issued to the ordering department of the Town of Huntington. This certificate will be forwarded to the Comptroller's office with the Invoice and Claim Voucher from the vendor. No invoice will be paid to a vendor without the accompanying certificate of acceptance.

SAFETY DATA SHEETS (SDS)

14. As the Town is required to be in compliance with Federal OSHA Communication Standard 29CFR1910.1200 all classes of materials covered by the specification that are purchased by the Town shall, no later than the time of delivery, receive a copy of the SDS appropriate to the ordered material. Failure to comply with this requirement shall be construed as improper or incomplete delivery and payment will be withheld until all terms and conditions of the purchase contract are met to the satisfaction of the Director of Purchasing.

NEW YORK: CONTRACTUAL NON-DISCRIMINATION PROVISION

To be included in every contract for the construction, alteration or repair of any public building or any public work or for the manufacture, sale or distribution of materials, equipment or supplies (performed within the state):

*** * ***

(a) In the hiring of employees for the performance of work under this contract or any subcontract hereunder, neither the Contractor, nor any subcontractor engaged by the Contractor, nor any person acting on behalf of the contractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which his or her employment relates.

(b) Neither the Contractor, nor any subcontractor engaged by the Contractor, nor any person acting on behalf of the Contractor or any subcontractor engaged by the Contractor, shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed, color, disability, sex or national origin.

(c) The Town may deduct from the amount payable to the Contractor under this contract a penalty of fifty dollars ($50.00) for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this contract.

(d) The Town may cancel or terminate this contract, and all monies due or to become due hereunder may be forfeited for a second or any subsequent violation of the terms or conditions of this section of the contract.

(e) The aforesaid provisions of this section, insofar as they apply to the manufacture, sale or distribution of materials, equipment or supplies shall be limited to operations performed within the territorial limits of the State of New York.

TOWN OF HUNTINGTON
BID SPECIFICATIONS

UNIFORMS
BID NO. TOH 26-11R-055

I. INTENT AND SCOPE

The intent of this bid is to solicit bidder(s) whose garments will best suit the Towns uniform dress code providing maximum quality at the lowest price to the Town.

All pages requiring information or signature must be completed in order to have a conforming bid.

II. MERCHANDISE AND SHIPPING REQUIREMENTS

All merchandise must be top quality goods as supplied by the manufacturer. The Town will not accept seconds or damaged inventory.

All prices are subject to the terms and conditions of this contract and should reflect shipping terms of FOB Town of Huntington. Additionally, all proposed prices must reflect three (3) lines of silkscreened lettering including the logo on the garment as specified in Section III or unless otherwise specified as part of the item bid specifications.

The vendor must be able to supply all items, which he bids under this contract, within Twenty (20) Calendar Days after receipt of order. Failure to deliver merchandise within the Twenty (20) calendar day requirement may, at the sole discretion of the Town of Huntington, result in the cancellation of any order or any portion of any order which the vendor fails to deliver. Paragraph 5 (a) and (b) of the General Terms and Conditions of this bid package will apply in the event of cancellation for non-delivery or rejection of delivered merchandise.

Upon request by the Purchasing Department samples of each item bid must be made available for inspection within ten (10) business days of the request. All samples will be evaluated for conformance of specifications by the requisitioning departments. The bidder shall upon request provide all necessary information, including manufacturers catalog and specification sheets, to assure equivalence to specified brand or manufacturer. All manufacturers listed in specifications are entered to establish basis for "or equal" pricing on bids, EXCEPT where we list "No Substitutes". A copy of the manufacturer's specification sheet for each item must be submitted with the bid. Bids without specifications may be rejected as incomplete.

Garments requiring alterations shall be altered by the vendor, as necessary, to insure proper fit, at no additional cost to the Town. Upon request by the Town the vendor must provide a sizing chart for all garments awarded.

A signed confirmation including sizes, quantities, cut and color shall be obtained for each employee order by the vendor <u>BEFORE</u> filling order, if requested by the Town.
Vendor must measure all Town of Huntington employees for uniforms ordered if requested by the Town.

All items appearing on this bid are available to all departments of the Town. Any item appearing herein may be ordered in any quantity.

Winter work jackets are to be suitable to be worn by both men and women.

All shirts must be available in both dark blue and light blue.
All garments are to be plastic wrapped in lots of a dozen.

Any substitutions must be clearly identified on the bid proposal pages. Samples may be required.

B. SPECIALTY LOGO

1. The price of each garment must include the complete silk screen printing of all five (5) layout elements: the Town Seal, the ribbon, line 1, line 2, and line 3.

2. A one-time NEW ARTWORK setup fee of $50.00 is allowed only for a completely new combination of text and logo that the awarded vendor has never previously produced for the Town of Huntington.

C. PATCHES

The patches that need to be sewn on the garment will be provided by the Town of Huntington. Items that require patches to be sewn on the garment will be noted on each line item and shall be included in the price as per the bid specifications. **All threads used for sewing on patches MUST be Colorfast.**

For any item requiring vendor-supplied patches, a galley proof for the patch must be supplied by the vendor upon request of the Town prior to placement of an order.

IV. METHOD OF ORDERING

Each requisitioning Department of the Town of Huntington i.e.: Highway, Environmental etc. has its own protocol for record keeping. The vendor shall be prepared to accommodate various formats of purchasing forms. The requisitioning department is not obligated to conform to any standard of documents but will attempt to be clear and succinct as to its requirements. Only a purchase order signed by the Director of Purchasing, issued by the Purchasing Division will constitute an authorized purchase.

V. METHOD OF AWARD

Award may be made by item, group, or class or any combination thereof, whichever is in the best interest of the Town.
